

# DATING AND ROMANCE SCAMS

Scammers take advantage of people looking for love

Scammers create fake online profiles on dating sites or social media

They approach you, gain your trust and profess their love

They say they are overseas and there is always a problem stopping you from seeing them either in person or by video chat

Victims often suffer a substantial emotional and financial toll

But no matter how much you give, they will always ask for more

They tell you a convincing sob story about why they need to borrow money or pressure you to invest money
