poems

The background of the book cover is a photograph of a stone archway. The archway is made of rough-hewn stone and leads to a set of stone stairs. At the end of the stairs, there is a bright light, possibly from an open door or a window, creating a strong contrast with the dark interior of the archway. The overall color palette is warm, with shades of brown, tan, and gold.

YEHUDA AMICHAI

Open Closed Open Poems:

Open Closed Open Yehuda Amichai, 2006-11-06 In poems marked by tenderness and mischief humanity and humor Yehuda Amichai breaks open the grand diction of revered Jewish verses and casts the light of his own experience upon them Here he tells of history a nation the self love and resurrection Amichai's last volume is one of meditation and hope and stands as a testament to one of Israel's greatest poets Open closed open Before we are born everything is open in the universe without us For as long as we live everything is closed within us And when we die everything is open again Open closed open That's all we are from I WASN'T ONE OF THE SIX MILLION AND WHAT IS MY LIFE SPAN OPEN CLOSED OPEN

The Doubts and Loves of Yehuda Amichai Ido Bassok, 2024-11-15 The Doubts and Loves of Yehuda Amichai Israeli European and International Poet presents the life and works of Yehuda Amichai born Ludwig Pfeuffer in Würzburg Germany The book is based on copious material from Amichai's personal archive in the Beinecke Library at Yale University other archives and numerous interviews with family members and others who knew him well Each phase of the biography is linked to its overarching historical context and provides a literary analysis of the key features of his writing What emerges is a multifaceted picture of a crucial period in the 20th century in which Amichai was both a witness and an actor without ever taking a simplistic direct position in his poetry Amichai an engaged political poet was an enlightened humanitarian European while remaining an authentic Israeli who loved his country and was deeply involved finding solutions to its problems Amichai was also a great admirer of women The analysis of his tempestuous love life helps shed light on important aspects of his prose and poetry Several chapters are also devoted to the background and influence of Amichai's works in genres other than poetry including his two novels and a collection of short stories his radio plays and his children's poetry

Negative Theology as Jewish Modernity Michael Fagenblat, 2017-02-27 Negative theology is the attempt to describe God by speaking in terms of what God is not Historical affinities between Jewish modernity and negative theology indicate new directions for thematizing the modern Jewish experience Questions such as What are the limits of Jewish modernity in terms of negativity Has this creative tradition exhausted itself and How might Jewish thought go forward anchor these original essays Taken together they explore the roots and legacies of negative theology in Jewish thought examine the viability and limits of theorizing the modern Jewish experience as negative theology and offer a fresh perspective from which to approach Jewish intellectual history

Jewish Book World, 2000 **The Full Severity of Compassion** Chana Kronfeld, 2015-12-09 Yehuda Amichai 1924-2000 was the foremost Israeli poet of the twentieth century and an internationally influential literary figure whose poetry has been translated into some 40 languages Hitherto no comprehensive literary study of Amichai's poetry has appeared in English This long awaited book seeks to fill the gap Widely considered one of the greatest poets of our time and the most important Jewish poet since Paul Celan Amichai is beloved by readers the world over Beneath the carefully crafted and accessible surface of Amichai's poetry lies a profound complex and often revolutionary poetic vision that

deliberately disrupts traditional literary boundaries and distinctions Chana Kronfeld focuses on the stylistic implications of Amichai's poetic philosophy and on what she describes as his acerbic critique of ideology She rescues Amichai's poetry from complacent appropriations showing in the process how his work obliges us to rethink major issues in literary studies including metaphor intertextuality translation and the politics of poetic form In spotlighting his deeply egalitarian outlook this book makes the experimental iconoclastic Amichai newly compelling *The Open Court*, 1888 *Canterbury tales.
