## **Open Marriage A Fatal Attraction Story:**

*Open Marriage* Fanita Moon Pendleton, 2015-02-16 Lust and Love are in a tug of war in this tale of a marriage stretched to its limit Meet Briann Jennings CEO of Glamour Girl Inc an unapologetic independent woman but how long will she continue to let the demons of her past dictate her future Enter Jason Matthews owner of JM Advertising tall dark and handsome every woman's dream and the envy of all his boys but has he met his match in Briann Hudson Duke heir to the Beauty Mark throne is trying to out run his families secrets while he hides his passion for another man's wife Lies and Deceit threaten to cause cracks in this marriage as everyone wants in and no one wants out *The Trial in American Life* Robert A. Ferguson, 2008-08-05 In a bravura performance that ranges from Aaron Burr to O J Simpson Robert A Ferguson traces the legal meaning and cultural implications of prominent American trials across the history of the nation His interdisciplinary investigation carries him from courtroom transcripts to newspaper accounts and on to the work of such imaginative writers as Emerson Thoreau William Dean Howells and E L Doctorow Ferguson shows how courtrooms are forced to cope with unresolved communal anxieties and how they sometimes make legal decisions that change the way Americans think about themselves Burning questions control the narrative How do such trials mushroom into major public dramas with fundamental ideas at stake Why did outcomes that we now see as unjust enjoy such strong communal support at the time At what point does overexposure undermine a trial's role as a legal proceeding Ultimately such questions lead Ferguson to the issue of modern press coverage of courtrooms While acknowledging that media accounts can skew perceptions Ferguson argues forcefully in favor of full television coverage of them and he takes the Supreme Court to task for its failure to grasp the importance of this issue Trials must be seen to be understood but Ferguson reminds us that we have a duty currently ignored to ensure that cameras serve the court rather than the media *The Trial in American Life* weaves Ferguson's deep knowledge of American history law and culture into a fascinating book of tremendous contemporary relevance A distinguished law professor accomplished historian and fine writer Robert Ferguson is uniquely qualified to narrate and analyze high profile trials in American history This is a superb book and a tremendous achievement The chapter on John Brown alone is worth the price of admission Judge Richard Posner A noted scholar of law and literature Ferguson offers a work that is broad in scope yet focuses our attention on certain themes notably the possibility of injustice as illustrated by the Haymarket and Rosenberg prosecutions the media's obsession with pandering to baser instincts and the future of televised trials One of the best books written on this subject in quite some time Library Journal starred review **Beyond the Stars: Stock characters in American popular film** Paul Loukides, Linda K.
