Health and Wellness Coaching Tips and Tools , *Why No One Is Buying Your Product* Sherwette,2022-05-04 Ever wonder WHY your product or service didn't sell? If you want to sell products you must understand your market and competition. For over ten years author Sherwette has been researching, practicing and deliberately learning one of her favorite subjects: Consumer Behavior and Psychology. In this book she shares the best methodologies she has found and worked with just for you. If you truly want to craft a product or service your customers will be raving about, then this book will help you gain a better understanding of your customers and create products that will be so spot on that once they know about them they will scream "Here take my money!" Inside you'll discover how to understand your customers' desires, hopes and dreams. Identify what stops them from buying. Find solutions. Nail down your product value proposition. Prototype your ideas and test solutions with customers. Design your customer experience to build lasting relationships and more. Get *Why No One Is Buying Your Product* today. [Diabetes Self-management](#) ,2003 *Plant-Based for Tired People* Rachel Morris,2021-01-12 Want more energy? Try a plant-based diet. Doctors have long touted the benefits of eating a plant-based diet, and people are listening. The plant-based food industry is booming, and more food establishments are catering to the trend as people aim to increase their consumption of vegetables, fruits, and whole foods. *Plant-Based for Tired People* addresses questions and concerns people have in order to ensure they find success from the get-go. First, we explore the evolution of the trend and explain exactly what it means to go plant-based. We also take a look at how adopting a primarily plant-based diet can positively affect one's health, weight loss, and even the environment. Next, we give readers the tools they need to get started with a detailed plan for transitioning to the diet and a must-have food shopping guide. We also inspire and encourage with real people's success stories and expert advice on everything from cooking for a meat-loving family to eating out when following a plant-based diet. We end on a delicious note with 30 pages of drool-worthy recipes that even self-proclaimed carnivores will gobble up.
