Taylor,2020-04-17 Recent years have seen digital advertising grow to the point where it will soon overtake television as the no 1 advertising medium In the online environment consumers interact and share their

thoughts on brands and their experiences using them. These electronic word of mouth eWOM communications have become a very important to the success of products. In today's cluttered environment it is especially important to study how the practice of eWOM advertising operates and how marketers can influence eWOM in social media and other online sites. This volume starts with a chapter on the current state of knowledge on eWOM and then turns its attention to current research articles on a variety of eWOM formats. These include the posting of selfies on social media, the influence of review types on consumer perception and purchase intention, the effects of preannouncement messages and how user generated content can be used to induce effectiveness of eWOM on social media. The relationship of eWOM to brand building is emphasized in several of the chapters. This book was originally published as a special issue of the International Journal of Advertising.

**Advertising and Promotion** Chris Hackley, Rungpaka Amy Hackley, 2014-11-10. This textbook introduces the key concepts, methods and issues within advertising and promotion for students taking courses on the subject at universities and colleges. It offers first hand examples gathered from leading international advertising agencies and brand campaigns and it is told from the perspective of the agency to give a fun and creative insider view which helps the reader to think beyond the client position and understand what it might be like working within an ad agency. The authors draw not only from management and marketing research but also from other disciplines such as cultural media studies and sociology to offer a rounded and critical perspective on the subject for those looking to achieve high grades and understand advertising as a social phenomenon in addition to its business function and purpose. New to the third edition chapter on strategy and creativity, additional case studies with increased global coverage including emerging markets, images of classic and recent ads from the street, print, online and television, increased coverage of the internet, social media and their effects on advertising, companion website materials including relevant videos, journal articles and a Jeopardy style game for the classroom. The textbook is now also supported by a new author written blog which keeps readers updated on interesting topical examples relating to advertising and promotion from current affairs and popular culture.
