*Game Changer* Jean-Manuel Izaret, Arnab Sinha, 2023-10-12 The right pricing strategy can change the entire trajectory of a business a market and even society at large To help you create your best pricing strategy efficiently and confidently two leaders from BCG are introducing fresh perspectives on pricing that take you far beyond the realm of mind numbing numbers In their new book *Game Changer How Strategic Pricing Shapes Businesses Markets and Society* Jean Manuel Izaret and Arnab Sinha simplify and clarify pricing strategy by integrating its many frameworks and concepts into seven distinct pricing games each with its own proven tools rules forces and structures To help you pick the right game and play it well Izaret and Sinha have developed the Strategic Pricing Hexagon a tool refined through years of testing iteration and adaptation The Hexagon is your portal to a business world where stronger growth and better financial performance come from a set of strategic pricing decisions not endless myopic quests for optimal prices But more than that the Hexagon will change the way you think about and talk about pricing The current conversation around pricing as expressed through economics textbooks Excel spreadsheets political discourse and educated guesswork makes it easy to believe that pricing is nothing more than a technical tactical and for most people boring game of numbers *Game Changer* changes that conversation by sharing stories and research that bring the Hexagon and its seven pricing games to life With research from BCG's Bruce Henderson Institute and real world examples from the world's most influential companies the authors and their colleagues at BCG define pricing strategy as a business leader's or business owner's conscious decisions about how money flows in their market They show how companies succeed in the long term when they focus on collaborative growth and value sharing with customers not zero sum value extraction from them Discover how you can create and implement a winning pricing strategy that changes the trajectory of your business your market and even society

## **Maintenance of Everything** Stewart Brand, 2026-01-20

The first in depth exploration of maintenance and a powerful argument for its civilizational importance from the author of *How Buildings Learn* and creator of the Whole Earth Catalog Maintenance is what keeps everything going It's what keeps life going Yet it's also easy to shirk or defer until the thing breaks the system falters and everything stops The apparent paradox is profound Maintenance is absolutely necessary and maintenance is optional The first in a multi volume work *Maintenance Of Everything* Part One offers a comprehensive overview of the civilizational importance of maintenance The book begins with a dramatic contest of maintenance styles under life critical conditions the Golden Globe around the world solo sailboat race of 1968 It goes on to explore the insights that can be gleaned from vehicle maintenance from the zeal of motorcycle maintainers to the maintenance philosophies that fought for dominance of the auto industry to the state of electric vehicle manufacturing today with absorbing detours into the evolution of precision in manufacturing the enduring importance of manuals sustainment in the military and the never ending battle against corrosion *Maintenance Of Everything* is a wide ranging and provocative call to expand what we mean by maintenance not just the tiresome preventative tasks but the whole

grand process of keeping a thing going It invites us to understand not only the profound impact maintenance has on our daily lives but also why taking responsibility for maintaining something whether a motorcycle a monument or our very planet can be a radical act No one else but Stewart Brand is talking about the art and science of maintenance and how to do it well This will be an instant classic Kevin Kelly founding executive editor of Wired A deliciously good book Matt Ridley author of The Rational Optimist
