Viral Challenge In The Us:

COVID-19 and the Challenges of Trauma and Transformations Ananta Kumar Giri, Saji Varghese, 2025-07-08 Covid 19 has created trauma death and destruction as well as challenged us for transformation of our existing society economy and polity The book engages with the challenges of transformations as a consequence of this It brings reflections from several disciplines and thought practitioners from around the world It explores challenges of transformations in economics politics self science and society for living meaningfully in a post pandemic world It also explores pathways of creative planetary futures that we need to cultivate with and beyond Covid 19 *The Calling of Global Responsibility* Ananta Kumar

Giri, 2023-03-03 This book rethinks and transforms the current discourse on globalization and global justice It expands the idea of globalization from an economic or corporate context to mean humanization and planetary realizations moving beyond the boundaries of nation states and other human made demarcations The author challenges the notion of human primacy and makes a fervent call to reconfigure the paradigm of anthropocentrism Through a careful study of movements for justice and inter faith dialogue from across the world the book makes a unique contribution to the emerging study of global responsibility It also helps us overcome our current civilizational crises and cultivate a new civilization of planetary care and co responsibility As part of the Ethics Human Rights and Global Political Thought series the volume will be of great interest to scholars and researchers of law and society especially social movements political theory and philosophy **The**

COVID-19 Pandemic and the Politics of Life Inocent Moyo, Sabelo J. Ndlovu-Gatsheni, 2023-08-04 This book explores the extent to which the COVID 19 pandemic is poised to be a permanent fixture in the modern world which in contemporary times will be thought of in terms of before and after the pandemic It looks at how the pandemic has brought to the fore the question of the appropriate ethics politics and spirituality and highlights the present condition of humanity and the need to rethink alternative planetary futures It argues that the pandemic has existential and epistemic implications for human life on planet Earth and a post COVID 19 future requires a fundamental transformation of the present economic political and social conditions Drawing on empirical case studies on the COVID 19 pandemic from Africa and beyond contributions in this book challenge the reader to rethink alternative planetary futures It will be a useful resource for students scholars and
