Introduction to Yoga
This book is going to tell you a little bit about yoga I am not going to go very deeply in to the esoteric and traditional aspects of yoga because that knowledge is only gained through years of training by a wise and experienced guru but you are going to get to know more about this ancient tradition which has come down to benefit mankind down the ages
What is Yoga
Ask any health conscious person this question and he is going to inspect the ceiling thoughtfully and say something on the lines of ahhh umm Is not yoga made up of some exercise routines in which you lie down on a mat and twist your body into different shapes
These exercises are to get rid of weight and will make sure that you keep fit fine and healthy
When you nod and say Go on he is going to continue enthusiastically
And then you are going to be chanting some mantras all the time that you are doing these exercises because that is the way it is done
Hold it right there
You are right that yoga is basically a set of exercises but let me explain about the idea of mantras and chanting
This idea that you have to chant instant mantras in praise of the gods is perhaps the reason why so many people are not taking benefit of this ancient Eastern tradition
That is because they consider this to be religion area and civilization specific
This is definitely not so
An American friend once asked me if I practiced yoga being an Indian I nodded and she replied a bit bewildered
But you are not a Hindu
So why would you want to practice yoga
And then she shrugged her shoulders and said Well I guess it is just a passing phase
this interest in yoga
This was 20 years ago and for all those people out there who still are under the impression that yoga is a religion specific tradition let me tell you a little bit about this ancient traditional way of keeping healthy
And I am glad to see that she has been proven wrong because Yoga is definitely not a fad
It is not here today gone tomorrow
More and more people in the West and also all over the world are getting interested in this natural way of keeping healthy and physically emotionally spiritually and mentally fit
Yoga has been around for more than 5000 years
It has been practiced in Asia in different ways and under different names with one goal achievement of spiritual harmony and physical well being
The Chinese have their own version of yoga Taichi and Taijiquan which includes mental and physical exercises including meditation
So have plenty of old

Eastern civilizations down the ages Yoga is a state of mind it is also the art of living in which the mind body and spirit work in tandem to achieve the state of mental physical and emotional harmony And if that is too philosophical for you you can consider yoga to be a system in which you are getting in touch with your mind body and spirit in a really positive manner

Yoga For Beginners Ntathu Allen,2017-10-16 Say goodbye to the old tired unhappy you Say HELLO to the new supple energetic relaxed you by making yoga a way of life Frustration and stress come from spending your entire day meeting other people s demands but never taking care of yourself Now you re about to learn how to start taking amazing care of your own physical and emotional needs in as little as five minutes per day You ll learn easy restorative yoga poses to strengthen your body and powerful meditation techniques to remove stress for work and home Just imagine creating your own custom 5 minute yoga routine that allows you to instantly relax clear your mind and energize your body without needing a yoga mat or instructor to show you what to do In this book you will discover Easy and fun yoga poses designed to increase your energy and revitalize your body A series of breathing exercises guaranteed to restore your calm and focus allowing you to make better and faster decisions without stress or frustration Soothing guided meditations that will support you in obtaining emotional and physical relief from the stresses of daily life Therapeutic revitalizing yoga practices like the 3 Minute Workstation Yoga and Leap Out of Bed Yoga that is a quick routine that you can easily do to help you be more energized and help you ease the neck pain and stiff shoulders Plus you ll learn 5 Great Ways to get a Good Night s Sleep without drugs or alcohol using scientifically validated techniques that come from the ancient tradition of yoga
