Online Reading Velamma Comics:

South Asian Pornographies Darshana Sreedhar Mini, Anirban K. Baishya, 2024-06-21 South Asian Pornographies is the first consolidated volume that explores the relationships between pornography, obscenity law and desire in South Asia. Focusing on case studies from India, Sri Lanka and Bangladesh while gesturing towards other countries in South Asia, the authors of this volume come from fields as varied as history, literature, media and communication and the visual arts. The book proposes that as a geo-political location, South Asia has a unique relationship to pornography given the multiplicity of cultural and legal censorial regimes that define the obscene and the permissible. South Asian case studies can demonstrate how pornography in the region is often defined in oblique terms, finding reflection in various modes of popular and sometimes underground culture bypassing legal and censorial constraints. Like questions of identity that can only be answered in the plural identities rather than identity, this book demonstrates how a range of pornographies constitutes the force field of sexualized media in South Asia. It will be of interest to researchers and advanced students of Communication Studies, Cultural Studies, Film Studies, History, Sociology and Social and Cultural Anthropology. The chapters in this book were originally published in the journal Porn Studies.

Dabung Girl and Children's Revolution Saurabh Agarwal, 2020-06-08 This comic book is a must read for every child. A new Indian superhero is here and this time it is a female superhero, Dabung Girl. She is a fearless hero who has an elastic body as her superpower. However, unlike some other superheroes who come and save the day, she helps children find solutions on their own. The imagination, creativity and fun continues throughout the comic. This comic book inspires children to find their inner superheroes. In this visually engaging story book, Dabung Girl's friends are facing a massive challenge of keeping the town clean from industrial pollution. They try to do it but end up in danger. Will Dabung Girl be able to save them? How will the children of Tadkapur save the environment? Read the story to find out more. Why do millions of children love reading Dabung Girl comics/graphic novels? She inspires them to learn, take action and break stereotypes. Presents India's very own girl superhero with relatable stories on overcoming gender biases. Meticulously researched and expertly written, this book is packed with vivid, carefully created artwork, illuminating infographics and insightfully curated dialogues that make the readers think. Why do parents love Dabung Girl books?
