Open Soul Window Nikki Schmutz:

Reality Poems Isabella George, 2016-09-06 Reality Poems 2016 is the revised edition of Isabella George's first e-book Reality Poems of the Modern Day 2014. The title has been shortened but content increased. In this revision, the poems are presented as more intense in depth and reveal an enriched, ever-evolving awareness and determination to address issues more explicitly without trepidation or regard to criticism. Reality Poems is a body of work that is now a collection of 70 short stories and poems of controversial issues relevant to modern culture. Each poem is a short story that creates mood and movement in a rhythmic, lyrical, contempo cadence aptly called Versery Rhymes; some poems are written in an urban vernacular. Many stories in the collection of political and social issues are not usually topics of discourse in traditional poetry. These stories in atomic words are a clear and concise commentary on controversial issues not usually considered to be poetic. A range of poignant topics in the collection includes Credit card entrapment, drug trafficking, interracial lovers, 9/11 conspiracy, and other theories, the horrors of factory farming, death row, psychotic episodes, cigarette smoking, Lucifer, Prince of the Air, strippers, the blues, ghosts, Frankenfood, baptism, the death of one's mother, civil rights struggle of the 60s, sea level rise, Miami, and the Everglades, smoking weed, imagining the New World Order, aging cougars. Less poignant topics include Teenage love, crushes, forgetfulness, boys and their frogs, Barbie dolls, fashionistas, Hot Wheels, puppies, parakeets, heartbreak, Kool Aid, the Brazilian Samba, gremlins, island living, and many other topics of life. *Open Soul Window* Nikki Anne Schmutz, 2015-11-27. The poetry of Nikki Anne Schmutz explores the journey we take inside ourselves. It is one that never ends; it leads to greater understanding, realizations gained only by aspiring to be more than we are in the present. There is great beauty to be found inside us all. Along the way, we meet others who end up being vital parts of our growth; people we care for, people we love. Sometimes our connection with others brings us closer to deep understanding than anything else we experience. Imagine what the world would be like if we could open a window to one another's soul. What if we could look inside and glean all the information needed to truly understand each other as we help one another along through life? What kind of spiritual heights could we help one another achieve? Open your soul window.
