Jonathan Edwards and Scripture David P. Barshinger,Douglas A. Sweeney,2018 For too long scholars have published new research on Edwards without paying due attention to the work he took most seriously biblical exegesis Edwards is recognized as an innovative theologian who wielded tremendous influence on revivalism evangelicalism and New England theology What is often missed is how much time he devoted to studying and understanding the Bible He kept voluminous notebooks on Scripture and died with unrealized plans for major treatises on the Bible More and more experts now recognize the importance of this aspect of his life this book brings together the insights of leading Edwards scholars on this topic The essays in Jonathan Edwards and Scripture set Edwards engagement with Scripture in the context of seventeenth century Protestant exegesis and eighteenth century colonial interpretation They provide case studies of Edwards exegesis in varying genres of the Bible and probe his use of Scripture to develop theology The authors also set his biblical interpretation in perspective by comparing it with that of other exegetes This book advances our understanding of the nature and significance of Edwards work with Scripture and opens new lines of inquiry for students of early modern Western history

Report of the Federal Security Agency United States. Office of Education,1894 *According to the Scriptures* Paul Matthews Van Buren,1998 This challenging work by a notable theologian explores the origins of the Christian gospel in Israel's scriptures and calls for a reevaluation of the Old Testament and its role in the church Paul van Buren defends the view that the early gospel arose when the disciples discovered in the story of the binding of Isaac Gen 22 words and images that allowed them to turn the crucifixion of Jesus and following events into the realities of Good Friday and Easter The final statement of van Buren's respected career According to the Scriptures offers hope that Jewish and Christian communities can be drawn closer through mutual respect for each other's interpretive traditions
