Be prepared with *Health Promotion Throughout the Life Span* 8th Edition, your comprehensive guide to major health promotion concepts. Featuring practical guidance including boxes on diversity awareness, evidence-based practice, innovative practice, hot topics and quality and safety, as well as case studies and care plans, our experienced authors give you all the tools you need to stay current on the latest research and trends in health promotion. Extensive coverage of growth and development throughout the lifespan emphasizes the unique problems and health promotion needs of each age and stage of development. Separate chapters on each population group, individual, family and community, stress the unique issues faced when providing care to each group. Evidence-Based Practice boxes emphasize current research efforts and opportunities in health promotion. Hot Topics and Innovative Practice boxes engage students' interest by introducing significant issues, trends and creative programs and projects in health promotion practice. Diversity Awareness boxes address various cultural perspectives and provide important information that needs to be considered in planning care. Case studies and care plans present realistic situations that challenge students to reflect upon important health promotion concepts. Think About It boxes dig deeper into the chapter topic and encourage critical thinking. Numerous pedagogical features such as objectives, key terms and textual summaries highlight the most important concepts and terms in each chapter.
