Yoga for Beginners Abraham Wilson, 2018-01-30 Yoga is a practical aid not a religion Yogais an ancient art based on a harmonizing system of development for the body mind and spirit The continued practice of yoga will lead you to a sense of peace and well being and also a feeling of being at one with their environment This is a simple definition The practice of yoga makes the body strong and flexible it also improves the functioning of the respiratory circulatory digestive and hormonal systems Yoga brings about emotional stability and clarity of mind In the practice of Yoga the ultimate aim is one of self development and self realization Think of this practice as being the means and tools to realign and rebalance your vehicle body on a regular basis You take control and you can then become your body mechanic instead of having to pay someone else to do it medical professionals Because your body is finely tuned you will find that your chances for injuries and illnesses will drop as you are in a much more attuned state You don't want for something major to happen to you before you decide to do something about it That's reactive behavior and that's going to set you back big time all you have to do is take action now Yoga is Easy to do With changing times and increasing pollution the bodies of women are also changing Puberty menopause pregnancy stress thyroid PCOs obesity and stress women have to deal so much and many more As a beginner often we equate yoga with some tough limb twisting poses And aren't you sometimes concerned that I can't even touch my toes how can I do yoga Yoga is not about touching your toes or stretching 98 degrees to your northeast It's a simple process of uniting with yourself using your breath body and mind And it's easy and effortless So never mind if you're not Ms Flexible or Mr Stretchable or are venturing into yoga at the age of 40 or you have secret love handles that are stressing you out just remove all those myths before beginning your yoga practice The only one watching you is yourself so just relax This journey will bring much joy and relaxation to you Prevention and care is by far the best medicine there is It all comes down to balance
