Vanity Fair ,2015 *Foreign Direct Investment in Latin America and the Caribbean 2018* United Nations,2019-01-30
This publication sets out and analyses the main foreign direct investment FDI trends in the countries of Latin America and the Caribbean In 2017 certain trends that had already emerged in the global economic landscape became more established In particular announcements of potential restrictions on trade and pressures to relocate production to developed countries were confirmed At the same time China has taken steps to restrict outflows of foreign direct investment FDI in order to align these flows with its strategic plan Adding to these factors is the expansion of digital technologies whose international expansion requires smaller investments in tangible assets Firms in these areas are heavily concentrated in the United States and China which reduces the need for cross border mergers and acquisitions *The Encyclopædia Britannica* Hugh Chisholm,James Louis Garvin,1925 A New English Dictionary on Historical Principles James Augustus Henry Murray,Henry Bradley,Sir William Alexander Craigie,Charles Talbut Onions,1901
