**Nehemiah** T. J. Betts,2020-06-24 Pursuing the glory of God The book of Nehemiah highlights the priorities God's people should pursue and the principles needed to fulfill their mission Bridging the gap between devotional and technical commentaries Nehemiah A Pastoral and Exegetical Commentary is an easy to understand exposition of this often overlooked Old Testament narrative With a mixture of historical data and practical applications T J Betts emphasizes the relevance of Nehemiah's message for believers today [A Commentary on 1 & 2 Chronicles](#) Eugene H. Merrill,2015 A thorough exegetical analysis of each passage of 1 and 2 Chronicles The trauma of the destruction of Jerusalem and the temple the exile of thousands of Judea's citizens and the subsequent return after seventy years to the homeland with the difficult task of starting the new covenant community virtually from scratch all contributed to a reassessment of Israel's meaning and destiny The chronicler theologian thus composed his work not just as a history of his people from their ancient beginnings but as an interpreted history one designed to offer hope to the beleaguered community as well as to issue warnings that should they fall back into the ways of their fathers they could expect the judgment of God to be repeated Eugene Merrill's work on 1 and 2 Chronicles promises to be a significant contribution to the academic dialogue on these important books This volume is helpful for the scholar but accessible and useful for the pastor Merrill provides an exegetical study of each passage in these books examining a number of themes especially drawing out three principal theological subjects 1 David and his historical and eschatological reign 2 the renewal of the everlasting covenant and 3 the new temple as a symbol of a reconstituted people Merrill offers astute guidance to preachers and teachers in his insightful doctrinal commentary on the text

**Biblical Theology** Jonathan Menn,2025-11-21 Biblical Theology The Story of the Christ covers the overall biblical storyline and shows in detail how the entire Bible ultimately is about Christ This book does what no other book on biblical theology does it details Christ's pre incarnate appearances in the Old Testament how he appears in prophecy and how he appears typologically More than that the book shows how Christ is the fulfillment of all that Old Testament Israel and its major institutions were pointing to including the Abrahamic Davidic and new covenants the nation itself the tabernacle and temple sacrificial system and priesthood law Sabbath and feasts Because Jesus Christ is at the heart of the biblical story is its main character and holds the entire Bible together the book concludes with two important appendices Appendix 1 shows how Christ is fully God and fully man and discusses why that is important Appendix 2 explains the Christian doctrine that God is Trinity showing how that idea is neither incoherent nor illogical but clearly emerges from the Bible and is reasonably understandable In fact because God is Trinity trinitarian concepts have been designed into all levels of reality from the microscopic to the macroscopic [All the Genealogies of the Bible](#) Nancy S. **First and Second Chronicles** Andrew E. Hill,2003 The Chronicles are more than a history of ancient Israel under the ascent and rule of the Davidic dynasty They are a story whose grand theme is hope Great battles are fought heroes and tyrants vie for power Israel splits into rival kingdoms and the soul of God s holy nation oscillates between faithlessness and revival Yet above this

tossing sea of human events God s covenant promises reign untroubled and supreme First and Second Chronicles are a narrative steeped in the best and worst of the human heart but they are also a revelation of Yahweh at work forwarding his purposes in the midst of fallible people God has a plan to which he is committed Today as then God redirects our vision from our circumstances in this turbulent world to the surety of his kingdom and to himself as our source of confidence and peace Exploring the links between the Bible and our own times Andrew E Hill shares perspectives on 1 and 2 Chronicles that reveal ageless truths for our twenty first century lives Most Bible commentaries take us on a one way trip from our world to the world of the Bible But they leave us there assuming that we can somehow make the return journey on our own They focus on the original meaning of the passage but don t discuss its contemporary application The information they offer is valuable but the job is only half done The NIV Application Commentary Series helps bring both halves of the interpretive task together This unique award winning series shows readers how to bring an ancient message into our postmodern context It explains not only what the Bible meant but also how it speaks powerfully today

**1 Chronicles** Ehud Ben Zvi,2022-03-31 There has been much interest in the Book of Chronicles in recent years A book long considered marginal has

become one of the most central in current studies. This is due in part to the increased and increasing emphasis on Persian period Yehud and Samaria and to the fact that Chronicles may provide a window for understanding how other books that later became biblical were understood at the time. In addition, Chronicles is also a second national history and as such it served to reconfigure and reimagine the past as communicated by other books. This commentary makes use of social memory and other social anthropological approaches to examine the ongoing construction of meaning at the level of the separate units in the book, that of the book as a whole and that of the book as part of an extant library within which it constantly interacts and modifies. Explorations of the influence of the book and its images of the past over time round off the analysis.

**The Books of Chronicles** James Gracey Murphy, 1880     "A" Critical and Exegetical Commentary on the Books of Chronicles Edward Lewis Curtis, Albert Alonzo Madsen, 1965     **Chronicles** Edward Lewis Curtis, 1976     **1 & 2 Chronicles (Brazos Theological Commentary on the Bible)**

Peter J. Leithart, 2019-08-20 Explore how the roots of the ancient Christian tradition inform and shape faithfulness today. The Brazos Theological Commentary on the Bible enlists leading theologians to read and interpret scripture credibly for the twenty first century just as the church fathers, the Reformers and other orthodox Christians did for their times and places. A rich resource for preachers, teachers, students and study groups, the BTC provides guidance for reading the Bible under the rule of faith. Each volume in the series includes a Christological focus and framework grounded in the Nicene Creed, connections between biblical interpretation and today's social issues, applications for contemporary faith and life, devotional depth for meditation and reflection, insights from literature, philosophy, culture and more. Peter Leithart, a respected theologian known for his ability to communicate to a broad audience, offers a theological reading of 1 and 2 Chronicles. Leithart uncovers the narrative logic of Chronicles, highlights the role of music and government in Israel and in the church, and shows how Judah's history moves from the world of the monarchy to the postexilic world in which Israel is scattered among Gentiles. Ultimately, the Brazos Theological Commentary on the Bible demonstrates the continuing intellectual and practical viability of theological interpretation of the Bible.
