Brandwashed Martin Lindstrom,2012-01-03 Marketing visionary Martin Lindstrom has been on the front line of the branding for over twenty years In Brandwashed he turns the spotlight on his own industry drawing on all he has witnessed behind closed doors exposing for the first time the full extent of the psychological tricks and traps that companies devise to win our hard earned money Lindstrom reveals eye opening details such as how advertisers and marketers target children at an alarmingly young age starting when they are still in the womb what heterosexual men really think about when they see sexually provocative advertising how marketers and retailers stoke the flames of public panic and capitalize on paranoia over diseases extreme weather events and food contamination scares It also presents the first ever evidence to prove how addicted we are to our smartphones and how certain companies like the maker of a very popular lip balm purposely adjust their formulas in order to make their products chemically addictive and much much more Brandwashed is a shocking insider s look at how today s global giants conspire to obscure the truth and manipulate our minds all in service of persuading us to buy

Psychological Knowledge Martin Kusch,2005-10-05 Psychologists and philosophers have assumed that psychological knowledge is knowledge about and held by the individual mind Psychological Knowledge challenges these views It argues that bodies of psychological knowledge are social institutions like money or the monarchy and that mental states are social artefacts like coins or crowns Martin Kusch takes on arguments of alternative proposals shows what is wrong with them and demonstrates how his own social philosophical approach constitutes an advance We see that exists a substantial natural amount of philosophical theorising a body of work that tries to determine the nature and structure of folk psychology An introduction to the workings of constuctivism Psychological Knowledge is an insightful introduction to the history of psychology and the recent philosophy of mind **The American** ,1897 **The Wall Street Journal** ,2006
