International Football Kits (True Colours) John Devlin, 2018-05-17 International Football Kits True Colours charts the evolving football strip design of the world's leading national football teams from 1966 to the present day. Guaranteed to bring back memories of your favourite team's kits and help you discover new ones, this ground-breaking book features strips that made it to the greatest stage in football, the FIFA World Cup, as well as rare designs that were never worn. John Devlin, the authority on football kits, analyses and evaluates the home, away, and third kit designs of the top football playing nations, detailing when the strip was worn, who wore it, and the important matches in which it featured. This carefully curated collection features more than 1,300 never-before-published artworks and describes the changing styles, varied manufacturers, and remarkable controversies of international football fashion over the last 50 years. **Sport and Corporate**

Nationalisms Michael L. Silk, David L. Andrews, C. L. Cole, 2004-12-01 The world of sport is saturated with the signs and images of transnational corporations. But what effect does the relationship between sport and transnational corporate capitalism have on national cultural identities? From baseball in Japan to the growth of women's soccer in the US, from the corporate use of sport after September 11th to the FA Cup and the NBA sporting events, and their corporate partners, can have a profound impact on collective imaginations at both transnational and local levels. *Sport and Corporate Nationalisms* explores the localized logics and practices underlying the marketing initiatives of major conglomerates and their increasing influence on the shaping and experiencing of national cultures. Corporations depend on sport as a vital marketing vehicle for inserting their interests into the lives of local consumers. This book puts forth convincing arguments that relate the role of sport marketing complexes to national cultural markets in a global age. *Sport and Corporate Nationalisms* provides a much needed analysis of the growing evolution of marketing strategies in the world of sport. **Computerworld**, 1997-05-26 For more than 40 years Computerworld has been the leading source of technology news and information for IT influencers worldwide. Computerworld's award-winning Web site, Computerworld.com, twice monthly publication, focused conference series, and custom research form the hub of the world's largest global IT media network. *The Production and Consumption of Sport Cultures* Udo Merkel, Gill Lines, Ian McDonald, 1998 Covers the changes in leisure and sport up to the mid 1990s, covering issues such as the growing commercialisation, globalisation, and professionalism in sport. **Indianapolis Monthly**, 2006-08 Indianapolis Monthly is the Circle City's essential chronicle and guide, an indispensable authority on what's new and what's news.
