**Mystery in Hamlet** Martin Warren Cooke,1888      **The Mystery of the Blinking Eye** Kathryn Kenny,2005 A Mexican fortune teller slips a Spanish poem into Trixie's purse sending her on a New York City mystery      Studies in the Scriptures: The finished mystery. 1918 Charles Taze Russell,1917      **Trixie Belden and the Mystery at Maypenny's** Kathryn Kenny,1980      Mystery in Arizona Julie Campbell,2004 Di Lynch's Uncle Monty has invited Trixie Honey and the rest of the Bob Whites to his Arizona dude ranch for winter vacation There will be lots to do horseback riding swimming festivals but Trixie is hoping for an activity that isn't on the usual list She wants another mystery From the Hardcover edition      The Model Mystery Rebecca Price Janney,Rebecca Price-Janney,1993 Working as a substitute reporter for a teen magazine sixteen year old Heather Reed works to uncover who is behind the threats to two top competitors in the American Model of the Year contest      Fireside Mystery Book Frank Owen,1947      Ellery Queen's Mystery Magazine ,1941      **The Ledger: An Inner Sanctum Mystery** Dorothy Uhnak,1972      The Best American Mystery Stories ,2004      Novices' Gleanings in Bee Culture ,1897      The Best American Mystery Stories 2004 Otto Penzler,Nelson DeMille,2004 This volume brings together the genre's finest from the past year With stories from mystery veterans and newly discovered talents this thrilling collection is sure to appeal to crime fiction fans of all tastes      Women in the City of the Dead Helen Watson,1992 The City of the Dead is a vast cemetery close to the centre of Cairo which has become a permanent home for thousands of migrants from the countryside For many of the women though still living in poverty migration has brought a taste of freedom as the exclusively female gatherings which form the setting for this book clearly show The author has spent long periods inside this environment where autobiographical and fictional story telling is a routine pastime She transcribes the stories and introduces the tellers and their society      **The London Mystery Selection** ,1962      **Taking a Hard Look** Amanda Du Preez,2009 It is the aim of this edited volume to take a hard look at gender and visual culture Gender and visual culture traverse in quite unique and often fascinating ways On the one hand gender functions as an interdisciplinary approach and critical tool to analyse and investigate several subject fields As such gender contributes to establishing a much needed theoretical and functional platform spanning across many fields of enquiry from where gender practices can effectively be critiqued and ideally changed On the other hand the growing popularity and ubiquity of visual culture in a global context create the increasing need to reflect on and interrogate this phenomenon in an academic manner Although Visual Culture Studies is an established subject at many Northern institutions it is fairly new and relatively under theorised in the South In response to the growing need to investigate issues dealing with gender and visual culture and particularly how they creatively intersect this selection of chapters first presented as papers at the Taking a Hard Look Gender and Visual Culture international conference 20 21 June 2007 Institute for Gender and Women TM's Studies University of Pretoria South Africa are collected here in the hope to make a purposeful contribution to the burgeoning discourse However by addressing the creative intersection between gender and visual culture this edited volume is no novelty In fact the topic of gender and visual

culture has been addressed over the past decade in several edited volumes It is in this proud tradition that this book aims to take its place and to create a dialogue with international theory on gender and visual culture studies from a South perspective Key questions that are explored in the volume What type of gendered visual culture is being presented and created in the South particularly but not exclusively How is visual culture gendered Can one refer to a move beyond gender in terms of a trans gendered visual culture or are we still caught up in the same debilitating role models How does one address the ever increasing alienation between gender studies and the younger generation of students and scholars moving into higher education What is the role of gender as interdisciplinary tool in the academic analysis of visual culture as it spans across several subjects such as science social work technology psychology medicine philosophy sociology engineering communication economics religious studies business management anthropology geography historical studies cultural and media studies visual studies art history and literature studies      The Saint Mystery Magazine ,1964
