Harrison Daniel,Scott P. Mayer,2015-09-16

Early baseball in Richmond Virginia was very much about business The game was a means of promoting Richmond and its various industries and attractions but it was plagued by instability Competing interests fought for control of its fortunes in the city and changes in team ownership were frequent The competitors vied to make a profit in any way they could on the game As time passed baseball became more established and eventually found its place in the city Richmond s affiliation with baseball from the years 1884 to 2000 is a fascinating story The book covers the players and owners and also for nearly twelve decades the relationship shared by the team and the city It highlights baseball s early amateur beginnings in Richmond prior to 1884 the first year of professional baseball in the city in 1884 the revival of the Virginia State League from 1906 to 1914 the Virginia League from 1918 to 1928 and the Eastern League in 1931 and 1932 the Richmond Colts and the Piedmont League from 1933 to 1953 and Richmond s association with the International League beginning in 1954    **The Basketball Draft Fact Book** Robert D. Bradley,2013-05-02 On June 2nd 1947 the Basketball Association of America BAA and the

National Basketball League NBL held the first college basketball draft in the history of the sport. The two leagues selected a combined 100 college seniors including future Hall of Famers Harry Gallatin Andy Phillip and Jim Pollard. Since then over 9 000 draft choices have been made by the major professional basketball leagues. The Basketball Draft Fact Book is the first detailed and comprehensive listing of all professional basketball drafts in the history of the sport from the first draft in 1947 to the present. In The Basketball Draft Fact Book each season's draft is summarized noting significant events and circumstances pertinent to that year and providing insight into the unique conditions and notable players involved. Following the summary is a complete list of all players drafted that season. This book includes not only the NBA but the American Basketball League American Basketball Association and the Women's National Basketball Association as well. Additional sections cover expansion and dispersal drafts international players selected in the draft the processes used to determine the order of the drafts the impact of trades and more. The Basketball Draft Fact Book provides an authoritative history of basketball drafts in the U.S. with more complete and accurate information than any other source. Containing corrections to hundreds of errors in the draft information currently available this volume is a valuable resource for basketball fans historians writers and researchers.

*The Complete Guide to Baseball Memorabilia* Mark K. Larson, 1994    *The Streaming Media Guide* Michael D'Oliveiro, 2019-06-03

Streaming media has irreversibly revolutionised the ways in which media is transmitted and consumed. Most of us engage with streaming media on a daily basis via platforms that deliver our entertainment Spotify YouTube and Netflix are new brands which many of us engage with daily for our information and entertainment. It has created upheaval in the entire value chain and wiped out industries slow to adapt to it like the video store rental chain. And it continues to evolve. Streaming media is transforming business communications in myriad ways and it is becoming almost as crucial for project managers and marketers to understand streaming technology as it is for media professionals. The Streaming Media Guide demystifies the technology and features behind a successful streaming media service especially in the context of how it is used by broadcasters and other media organisations. Common terms and systems being used in this space are presented and defined simply and clearly for non-technical readers. Best practice examples from Michael D Oliveiro's experiences demonstrate how this technology can be successfully implemented. This book equips any media professional with the most basic of traditional media knowledge to enable confident conversations in the typical media organisation they work in. For technology based graduates or dedicated broadcast professionals seeking to refresh their understanding this book provides enough information to form a solid foundation for day to day work. Finally for leaders in cross functional senior management matrices information is provided to enable you to understand and exploit streaming media capabilities as a business. This will be the ultimate reference source guaranteed to be bedside reading for anyone serious about using streaming media.
