18. Report on the organizational and administrative structure of the Department. This report shall include, at a minimum, current organizational chart, including the names, responsibilities, a current salary table, position national area report. This report shall be included in the next year's budget. All reports shall be for the current fiscal year and shall be submitted to the Department. It shall be the responsibility of the Department to ensure that all reporting and organizational information is current and accurate.

1. A memorandum to the project director, the appropriate senior staff members, their peers, senior staff, and the staff of your institution.
2. The following requirements:
 - a. Statement of the experiment's goals. This should be a one-sentence statement describing what you're trying to do. This requires thought from the laboratory's perspective.
 - b. Diagrams of circuits as mandated by the appropriate staff experts.
 - c. Statements of results. Not just in part of the lab exercise. These should be clearly written/summarized at your appropriate findings, including observations (presented in tables, flow charts, equations, calculations, etc.) as required. You will not just have data; you will have a clear picture of the data and the most effective method of presentation for your report.
 - d. Discussion of results. This should be an in-depth analysis discussing the results that you have obtained. It should include a comparison of your observations to theory and/or previous results and reported results.
 - e. Conclusions and questions for the laboratory's perspective. Answers should be clearly stated and illustrated by equations, tables, or diagrams as required.
 - f. Summary and Comments. A summary of your findings, experiments and conclusions about the phenomena studied.
 - g. The laboratory experiment description.
 - h. The completed notebook.
3. Notes that can be written should also be written in the laboratory notebook. The notes should be written in a clear, concise manner, and should be written in a clear, concise manner. The notes should be written in a clear, concise manner, and should be written in a clear, concise manner.
