Me And We Gods New Social Gospel:

Me and We Leonard Sweet, 2014 Churches with front doors that open up mission fields rather than buildings *The Jesus Quotient* Jennie A. Harrop, 2019-06-21 As leaders our capacity to hear is often muddled by an inability to acknowledge our own insufficiencies and emotions Jesus knew his God given purpose and emotional character so deeply that he was able to operate out of these foundations boldly and instinctively Jesus's infallible Intelligence Quotient IQ and Emotional Quotient EQ allowed him to focus on a third concept called Audience Quotient AQ an individual's ability to focus consistently completely and effectively on others As a church we are failing a twenty first century culture that is defined by an unprecedented interconnectedness and speed of information We are witnessing a scramble to manipulate and manage information that demands renewed integrity and yet the church is seen as hypocritical judgmental and irrelevant If we are going to earn a voice the future church cannot be about the components of church at all but instead the individual souls within the church pastors included The better we ground ourselves in the truth of who we were created to be IQ EQ and AQ the better able we will be to love God fully and love those around us as we love ourselves That after all is what Jesus commanded us to do
