Medicaid And The Limits Of State Health Reform:

Medicaid And The Limits of State Health Reform Michael Sparer, 1996-06-10 A critical look at state dominated health care **State Health Care Reform** United States. Congress. Senate. Committee on Finance. Subcommittee on Health for Families and the Uninsured, 1993 **Medicaid and Devolution** Frank J. Thompson, John J. DiIulio (Jr.), 1998 How much responsibility for providing health care to the poor should be devolved from the federal government to the states Any answer to this critical policy question requires a careful assessment of the Medicaid program Drawing on the insights of leading scholars and top state health care officials this volume analyzes the policy and management implications of various options for Medicaid devolution Proponents of devolution typically express confidence that states can meet the challenges it will pose for them But as this book shows the degree to which states have the capacity and commitment to use enhanced discretion to sustain or improve health care for the poor remains an open question Their failure to attend to issues of politics implementation and management could lead to disappointment Chapters focus on such topics as Medicaid financing benefits and beneficiaries long term care managed care safety net providers and the appropriate division of labor between the federal government and the states The contributors are Donald Boyd Center for the Study of the States Lawrence D Brown Columbia University James R Fossett Rockefeller College Richard P Nathan Nelson A Rockefeller Institute of Government State University of New York Albany Michael Sparer Columbia University James Tallon United Hospital Fund and Joshua M Weiner the Urban Institute **VA Participation in State Health Care Reform Programs** United States. Congress. Senate. Committee on Veterans' Affairs, 1994 Distributed to some depository libraries in microfiche *The New Politics of State Health Policy* Robert B. Hackey, David A. Rochefort, 2001 State governments in the past decade have had to take on the problem of health care with mixed results This collection of 11 essays of which two are an introduction and conclusion by academics and policy makers consider the many issues that concern health care in the US and their effects at the state level including managed care health insurance expansion mental health care public health administration and bureaucratic reactions to health policy Hackey teaches health policy and management at Providence College in Rhode Island Rochefort teaches political science and public administration at Northeastern U in Boston c Book News Inc State Health Care Plans United States. Congress. Senate. Committee on Finance, 1993 **Medicare and the American Health Care System**, 1994 U.S. Health Law and Policy 1999 Donald H. Caldwell, Jr., 1998-09-29 This annotated bibliographic guide to the literature of health care law offers the health care administrator corporate benefits manager physician or attorney a key to the door of health care policy and law This 1999 edition focuses on evaluating the materials many not widely disseminated about evolving corporate structures such as managed care organizations and their numerous progeny Also addressed are topics such as health care liability patient access to health care environmental issues legal issues arising in the context of AIDS and privacy of patient records University of Michigan Journal of Law Reform University of Michigan. Law School, 1999

Ten States' Proposals for Health Care Reform American Academy of Nursing. Meeting, 1995 *Strategic Choices for a Changing Health Care System* Stuart H. Altman, Uwe E. Reinhardt, 1996 Health care spending can the United States control it Redefining private insurance in a changing market structure Rationing health care what it is what it is not and why we cannot avoid it The new organization of the health care delivery system Strategic issues for managing the future physician workforce States and health care reform the importance of program implementation The role of quality measurement in a competitive marketplace The legal framework for effective competition The changing environment for technological innovation in health care The special health care needs for the elderly Managed care for people with disabilities caring for those with the greatest need *The Journal of Health Care Law & Policy*, 2006 **Medical Humanities Review**, 1997 *BNA's Health Care Policy Report*, 2002 *Politics in the American States* Virginia Gray, Russell L. Hanson, Herbert Jacob, 1999 Politics in the American States is an essential source for anyone interested in state politics Containing original research from the finest scholars in the field it employs an empirical and comparative approach to survey the entire field of state politics Now in its seventh edition Politics in the American States has been completely revised and updated to include important new scholarship the most current census and electoral data and new policy developments **Law and the American health care system** Rand E. Rosenblatt, Sara Rosenbaum, David M. Frankford, 2001 This title updates the original health care law casebook with new material on managed care ERISA and other judicial and legislative developments in the field The complete set covers all major aspects of law and the American health care system **National Health Reform** Forrest P. Chisman, Lawrence David Brown, Pamela J. Larson, 1994 **Public Policy and the Two States of Kansas** H. George Frederickson, 1994 The authors survey general revenue and demographic issues and then analyze the five policy areas education corrections transportation welfare and health that consume 84.3% of the state budget and that in terms of both cost and controversy rank highest on the state's policy agenda Emerging from this analysis is the disturbing consensus that Kansas is an increasingly divided state one urban younger and wealthier the other rural older and poorer **Major Health Legislation in the States, '92** Merit Kimball, 1993 **National Journal (1975)**, 1995
