McMi III Test Manual:

The Millon Inventories Theodore Millon, Caryl Bloom, 2008-04-18 Now in a substantially revised and expanded second edition this important work thoroughly details the full range of clinical assessment tools developed by Theodore Millon and his associates. Presented is the most current authoritative overview of the Millon Clinical Multiaxial Inventory MCMI as well as comprehensive information on widely used instruments for such specific populations as adolescents, preadolescents, medical patients and college students. With a heightened focus on clinical practice the second edition offers explicit guidance for linking assessment to individualized evidence based treatment planning and intervention. Many of the chapters are entirely new reflecting significant research advances and the development of new inventories.

Clinician's Guide to Child Custody Evaluations Marc J. Ackerman, 2006-02-02 The Clinician's Guide to Child Custody Evaluations Third Edition is written by one of the leaders in the field. It is as essential to the subject of child custody as the stethoscope is to medicine. This edition, an update of a classic, is a must read for everyone from the novice to the expert. S. Leslie M. Drozd, PhD, Editor, *Journal of Child Custody*. A practical and comprehensive guide for conducting child custody evaluations. Clinician's Guide to Child Custody Evaluations addresses the entire custody evaluation process from beginning to end. This New Third Edition reflects the abundant recent research in this area including new evaluating and testing findings and new ethical guidelines from the APA. This edition also features fully up to date coverage of important legal decisions affecting child custody. With many chapters completely revised and rewritten, the third Edition covers Roles the mental health Practitioner can play and operate within the legal arena. What encompasses a custody evaluation. Ethical considerations and responsibilities involved in custody disputes. How to interview, make behavioral observations and collect collateral information. Standards of applicability and administration of tests. Specialized child custody instruments such as the Ackerman Schoendorf Scales for Parent Evaluation of Custody ASPECT. How divorce affect families. Evaluating parents behavior. How to prepare for the courtroom process. Maltreatment including neglect, abuse and domestic violence. Placement schedules. How to write reports, draw conclusions and render opinions. Each chapter ends with critical issues for the practitioner to consider. The accessible reference format provides a quick review of relevant discussions in the text. In addition this book includes convenient guides to relevant legal terms, documents, forms, APA guidelines and codes of conduct. Based not only on current research but also on the author's considerable experience with thousands of evaluations. Clinician's Guide to Child Custody Evaluations is the definitive guide to this field for students and practitioners.
