women undertake graduate school their need for guidance increases The good news is as the number of women who finish
graduate school increases so do the available resources The Women's Guide to Surviving Graduate School is an excellent
resource for women embarking on this educational journey It is written by women specifically for women It provides
information and advice relevant to both American and Canadian women and focuses on elements related to graduate schools
in both countries The book begins with basic information about selection applications and acceptance processes and goes on
to guide women through such issues as determining how much their degree program is likely to cost and how to find funding
The authors also provide valuable advice on determining the best methods for planning a course of study and selecting
programs Finally this book provides women with practical suggestions for becoming successful students and finding
