Blank Space W. David Marx, 2025-11-18 An NPR Most Anticipated Book of Fall 2025 A revealing exploration of a quarter century of cultural stagnation examining the commercial and technological forces that have come to dominate contemporary culture from music and fashion to art film TV and beyond Over the past twenty five years pop culture has suffered from a perplexing lack of reinvention We ve entered a cultural blank space an era when reboots rehashes and fads flourish while bold artistic experimentation struggles to gain recognition Why is risk no longer rewarded and how did playing it safe become the formula for success Acclaimed cultural historian W David Marx sets out to uncover the answers In this ambitious cultural history Marx guides us through the blur of the twenty first century so far from the Obama era to the rise of K pop from Paris Hilton to the Marvel cinematic universe from Beyonc and Taylor Swift to Beyonc and Taylor Swift whose enduring influence highlights both their adaptability and the broader shifts in pop culture Combining sociological economic and political insights with a deep dive into art street culture fashion and technology Blank Space dissects the rise of profit driven formulaic trends and the shifting cultural norms that often prioritize going viral over innovation He reveals how backlash against indie snobbery and nineties counterculture gave rise to a counter counterculture one marked by antiliberal sentiment the celebration of business heroes and the increasing influence of industry plants and the elite class In a world of crypto bros nepo babies and AI driven art Marx offers readers a much needed dose of clarity and context Vibrantly narrated and sharply argued Blank Space is an essential guide for anyone looking to understand the chaos of the twenty first century the trends tastemakers and icons who shaped it and how we might push our culture forward over the next quarter century through renewed emphasis on creativity community and the values that transcend mere profit

Chinese Platforms Jian Lin, Wilfred Yang Wang, Ping Sun, 2025-12-10 The rise of the Chinese internet has reconfigured digital culture around the world From social media platforms such as WeChat and Douyin to utility platforms Didi and Eleme the Chinese platform economy has shown a remarkable capacity to innovate and grow incurring constraints as well as receiving protection from the Chinese state This is the first textbook to centre Chinese platforms in the transformation of the global internet Offering an overview of the history governance and social political implications the book shows how Chinese platforms are situated within the domestic political economy of China and the external geopolitics and cross border mobilities of capital technology and populations Topics covered include policy and governance social media entertainment e commerce digital labour and the Chinese diaspora Comparing and contrasting the Chinese platform ecology with its global counterpart the book argues that while Chinese platforms exhibit more effective economic and technological innovation and have strong cultural cachet they are subject to a far greater degree of state oversight including facilitation as well as correction and censorship Chinese Platforms is a required reading for students of Media and Communication Studies and China Studies as well as those interested in the rise of digital China and the implications for the global platform society

Towards an Elite Theory of

Economic Development Tomas Casas-Klett,2025-11-17 This profoundly ambitious theoretical work centers on value understood as everything humans deem worth appropriating Every society is hierarchical and the top echelons are dominated by elites the quality of which in the business politics and knowledge arenas determines economic and human development All elites run elite business models that both create and extract value originate or transfer risk and use their power and agency to shape institutions This book argues that when inclusive value creation outweighs extractive value transfers the outcomes for society at large are positive Sustainable value creation happens when intra elite contests result in more innovation than rent seeking more free trade than protectionism and more competition than monopolies Leveraging diverse ideas from economics value sociology power political economy the distribution of value and management the value creation and appropriation framework the book advances a sweeping inter disciplinary framework that positions the meso level elite system at its core This extends the institutional perspective and acts as the transmission mechanism between the micro level firm and the macro level political economy A wealth of elite business model cases are considered throughout its pages ranging from Neolithic grain to AI and from Caesar to Trump to further an elite theory of economic development that transcends traditional Left Right debates is rooted in its own speculative philosophy and yet is highly practical with proposals for structural reform cost of equity calculations and an approach to sustainability based on weighting and offsetting extractive transfers This economic treatise supplies the conceptual tools for a realistic account of how the world works today and in its discussion of elite judgment offers an ethical framework to guide elite transformational leadership It will be essential reading for researchers policymakers and business leaders around the world looking for fresh ideas on how to navigate and reappraise how we address current realities **Czechoslovak Life** ,1962 **Who's who in America** ,1948
