Boss, 2019-01-28 At a time when mass shootings in schools and other public spaces have become commonplace it might seem surprising that American college campuses are not magnets for murderers but sanctuaries from them Because of remarkably effective gun safe policies deaths by firearms on college campuses are 1 000 times less frequent than in the U S public at large Drawing on crime data submitted in compliance with the Clery Act and public reports of those crimes this study inventories every documented homicide at a U S college or university between 2001 and 2016 making a compelling argument for using gun safe campuses as guides for broader public safety Video Game Bible, 1985-2002 Andy Slaven, 2002 With nearly three years of research utilized to compile game lists and thousands of hours used to play and review the games listed within Video Game Bible is the most comprehensive source of information on video games released in the U S since 1985 ever created Prices are based on realistic figures compiled by interviewing hundreds of large collectors and game store owners and offer a realistic guideline to be followed by both collectors and video gamers looking to complete their collections While numerous guides have been compiled on the subject of classic video games this book offers coverage of video game consoles releases after 1985 known as the neo classics With 39 systems in total Video Game Bible offers the largest guide to date With the recent proliferation of video game collecting into the mainstream it is necessary to have a standard by which games are valued This is the first installment in a series of guides intended to offer full coverage of every video game ever made worldwide Video game consoles are grouped together by the company that made them for easy reference In addition to the table of contents which lists each section separately there are corner tabs to make browsing the guide even more convenient Thousands of new facts are offered within the pages of this book as are thousands of reviews and overviews Written in a lighthearted manner chapters of this guide that may not pertain to a particular collector will still be enjoyable for intelligent readers An easy to use reference guide suitable for any age this guide is sure to be an invaluable resource for anyone interested in video game collecting video game history and even for the casual video game fan interested in learning more about the hobby Editor In Chief Andy Slaven Staff Writers Micheal Collins Lucas Barnes Vincent Yang Contributing Writers Charlie Reneke Joe Kudrna **Economics Of Intercollegiate Sports, The (Second Edition)** John C Leadley, Randy R Grant, Zenon X Zygmunt, 2014-10-21 Why do universities place so much emphasis on athletics Are the salaries of head coaches excessive Should student athletes be paid Why is there so much cheating in college sports Should athletic departments be subsidized by the university Does Title IX unfairly discriminate against men s sports This textbook is designed to help teach students about the business of college sports particularly the big money sports of football and
