This is a complete beginner tutorial book that will teach you the fundamentals of Roblox scripting. Game development used to seem like a far-fetched idea that only big studios could undertake. What if you wanted to create your own game according to your rules? Furthermore, what if you wanted to share your awesome new game with a bunch of other like-minded gamers and game developers? There's some good news: the Roblox coding language can help build your game in no time and share it with other passionate players. Roblox is a unique phenomenon. Released in 2006, Roblox is the brainchild of two developers, David Baszucki and Erik Cassel. Learn how to code using the programming language Lua to create new objects and games in the Roblox world from teleporting objects or PCs, NPCs to adding and applying power-ups to creating a leaderboard and allowing players to save their games. This book walks you through the basics of the studio tool, provides tutorials for specific actions and creations, then explains how to use all of that knowledge to create your own unique game world. With detailed instructions, example screenshots, and simple explanations of what code to use and how to use it, this book is a must-have guide for any Roblox game designer from beginners to expert coders.

**The Advanced Roblox Coding Book: An Unofficial Guide, Updated Edition** Heath Haskins,2022-05-24 Make the most out of your Roblox experience with *The Advanced Roblox Coding Book*, now updated with new content including updated avatar customization, movement and animation updates, and more. *The Advanced Roblox Coding Book* provides next-level beginner-friendly guidance for middle-grade readers using Roblox Studio and Lua code to create interactive games. Players will learn where and how to use scripts, how to introduce variables and customize graphic elements, and then how to put these skills together into fun and interesting games and experiences. With examples, step-by-step instructions, and game creation walkthroughs, this book has everything a Roblox creator needs.
