Navigating the New Retail Landscape Alan Treadgold, Jonathan Reynolds, 2025-03-25 The retail industry globally is in an era of profound perhaps unprecedented change. This book is intended to serve as a wide ranging robust practical guide to leaders of enterprises tasked with understanding and delivering success in the new landscape of retailing as well as to all those with an interest in this most important and visible of industries. Part 1 describes the major directions and drivers of change that define the new global landscape of retailing. Accelerating changes in technology the rise to prominence globally of internet enabled shoppers and the rapid emergence of entirely new retail enterprises and business models are combining to reshape the very fundamentals of the retail industry. The new landscape of retailing is unforgiving success can be achieved more quickly than ever before but failure is equally rapid. Opportunities in the new landscape of retailing are profound but so too are the challenges. Part 2 discusses the structures skills and capabilities that retail enterprises will need if they are to be successful in this new landscape and the skills and capabilities required of the leaders of retail enterprises. Thirty detailed case studies of innovative and successful enterprises internationally and more than one hundred smaller examples all updated and many entirely new since the first two editions of this book are used to illustrate the themes discussed. Frameworks are presented to provide practical guidance for enterprise leaders to understand and contextualize the nature of change re shaping retail landscapes globally.

Chinafy Joanna Hutchins, 2023-06-15 Western business leaders make two key assumptions about China that China is always copying the West and that the West is the seat of innovation. The truth is surprising. China is both copying and innovating and while Western businesses are busy looking for the next new thing China is rapidly iterating on what's already been done and pushing ahead. While businesses in the West are getting disrupted and left behind the savvy leaders among them can learn innovate and excel by copying China's playbook. Chinafy distils the key lessons from China to unlock business potential anywhere in the world. These lessons serve as catalysts for how to Chinafy innovation for growth. Taking a deep dive into the workings of China's most successful brands from Haier to ByteDance author Joanna Hutchins reveals what it takes to get ahead in the world of business and innovation.
