The Amazon Incubator Lesley Hensell, 2024-01-23

The real story about how to be a successful seller on Amazon from a leading consultant. Amazon is the most powerful business incubator in the history of the world. Unfortunately, where there is great opportunity, get rich quick schemes abound. Most available books about selling on Amazon peddle a dream that is unattainable for sellers. They promise riches at the cost of only five hours a week or a long term income for an initial investment of just 1 000. The Amazon Incubator is different. This book instead offers realistic sustainable strategies for building a long term profitable business on Amazon. Whether sellers are burgeoning entrepreneurs or own the ecommerce channel at an established brand, they will benefit from the strategic thinking and in depth Amazon know how delivered in an easily digestible format. The reader will be guided through exercises to define their goals, determine their product set, and execute like a champ. The Amazon Incubator is written in short, easy to digest chapters that include case studies and real world examples of Amazon seller success and failure. Readers will better identify with and understand the information when case studies are included. In addition, each chapter includes a brief summary at the end as well as suggested action steps so it can easily be used as a tool for the reader to share with teammates and business associates.
