It's Your Attitude Chris Thurman, 2021-06-07 Your attitude makes or breaks you in life. We all have attitudes that are toxic and damaging to our lives, and we all have healthy attitudes that help us to experience life in full. Have you ever wondered what the worst most toxic attitudes are? Have you ever wondered what the best most life-enhancing attitudes are? Wonder no more. This book will help you better understand the good and the bad when it comes to the attitude you carry into each day. Far too often we focus on changing our circumstances as the best way to improve our lives. While that's all well and good, changing your attitude for the better is far more important than changing your circumstance in life. We don't need an attitude adjustment; we need an attitude overhaul. Read this book; it will help you do just that.
