*Movie Analytics* Dominique Haughton, Mark-David McLaughlin, Kevin Mentzer, Changan Zhang, 2015-10-05 Movies will never be the same after you learn how to analyze movie data including key data mining text mining and social network analytics concepts. These techniques may then be used in endless other contexts. In the movie application this topic opens a lively discussion on the current developments in big data from a data science perspective. This book is geared to applied researchers and practitioners and is meant to be practical. The reader will take a hands on approach running text mining and social network analyses with software packages covered in the book. These include R, SAS, Knime, Pajek and Gephi. The nitty gritty of how to build datasets needed for the various analyses will be discussed as well. This includes how to extract suitable Twitter data and create a co starring network from the IMDB database given memory constraints. The authors also guide the reader through an analysis of movie attendance data via a realistic dataset from France.

## **Research in Media Promotion**

Susan Tyler Eastman, 2000-08-01 Eastman has assembled this exemplary volume to spotlight media promotion and to examine current research on the promotion of television and radio programs. The studies included here explore various types of promotion and use widely differing methods and approaches providing a comprehensive overview of promotion research activities. Chapters include extensive literature reviews, original research and discussion of research questions for subsequent study. *Research in Media Promotion* serves as a benchmark for the current state of promotion research and theory and establishes the role of promotion as a primary factor affecting audience size. Appropriate for coursework and study in programming, marketing, research methods, management and industry processes and practices this volume offers agenda items for future study and is certain to stimulate new research ideas.

## **The Social Science of Cinema**

James C. Kaufman, Dean Keith Simonton, 2014 This book compiles research from such varied disciplines as psychology, economics, sociology, business and communications to find the best empirical research being done on the movies based on perspectives that many filmgoers have never considered.

## **Bloggers Boot Camp**

Charlie White, 2013-07-18 *Bloggers Boot Camp* shows you how to build a great blog from the ground up. This isn't a book about technology, it's a book about engaging millions of readers. Starting your blog is easy, but building and maintaining a popular one is hard. Blogging experts John Biggs and Charlie White (Gizmodo, Mashable, and TechCrunch) share their secrets from the frontline, showing you how to blog with quality and flair, find the best stories and attract millions of readers to your blog. Blogging goes way beyond writing. It's a conversation between you and your audience. Guiding you to blogging success, *Bloggers Boot Camp* shows you how to uncover a niche for your blog and realize key factors about yourself that you need to know before you write a single word. Gather the ideal tools for blogging without spending too much or approaching it underequipped. Discover the best ways to spread the word about your new blog. Find the most compelling stories to write about and get the information before anyone else does. Transform your writing by learning the subtle art of constructing a compelling, engaging blog post.
