*Three-Week Professionals* Ted Kluck,2015-08-06 In 1987 the players of the National Football League went on strike demanding better pay and the right to seek free agency Determined to keep the league going team owners pulled replacements from wherever they could be found from the semi pro leagues to bar stools in order to create makeshift teams For three weeks regular men truck drivers school teachers stockbrokers were able to put on NFL helmets and jerseys play in professional stadiums and live their dreams The replacements had to dodge thrown food and endure catcalls while they played in nearly empty stadiums but for three weeks they could call themselves professional football players Ultimately the replacements days as professional athletes were all but forgotten by fans and the league Ted Kluck changes that in Three Week Professionals Inside the 1987 NFL Players Strike sharing the stories of the replacements alongside the strike experiences of NFL veterans The innocence and joy experienced by the replacements stand in stark contrast to the high stakes negotiations being waged by striking NFL players negotiations that would spike the pay scale and change the face of the NFL Three Week Professionals includes original interviews with both the replacement players and the professionals who went on strike bringing to life these brief but unusual days of football Football fans and sports historians alike will find this book a fascinating glimpse into three of the strangest weeks in the NFL and come to realize the impact those weeks had on the world s most lucrative sports league

**Bestsong** Scott Perry,2020-06-01 It was around 1980 or 1982 that I had a dream or night vision of my standing in the pulpit of the Primitive Baptist Church of Gifford Florida In this dream or night vision I was holding a book in my right hand The title on the cover page of this book was Bestsong The next day I shared this dream with my wife Helen and said to her I got to write a book A few years later my wife and I were walking through a parking lot in Fort Pierce Florida around two o clock in the afternoon A doctor friend of mine and a prophet I had never met was introduced to my wife and me In shaking my hand he said to me I am a prophet of God and God said or says to you write that book My wife Helen laughed and said I think you better start writing that book bud About two or three weeks later I had another dream or night vision In this one I was standing and looking in front of a jukebox looking down at a turning or spinning black record It had the face of a hideous giggling man in it As this record played rays were shooting out from this record These rays would strike the young listeners in the head I noticed that as these rays struck the heads of these young

people they would stiffen like they had become zombies They would walk away from the jukebox and straightaway go out and perform those evils they had heard coming from these records and the jukebox A Bestsong can be God inspired or Demon inspired A Bestsong can be the Almighty God from Heaven or it can be to the god of this world Satan This book is a revelation from God our Father and the Lord Jesus Christ our soon coming King The ultimate goal of this book is to glorify God and to make one wise unto salvation Read and be blessed     *Road and Track* ,2002     Shifting Gears Eddie Thrumer,2011-12-06  
September 11 A day that in some way has either directly or indirectly changed everyone in Americas if not the worlds way of life Whether it is a persons sense of security travel plans outlook on life or the way they view their family 9 11 as they call it changed us all including me But my 9 11 didnt happen in 2001 it happened exactly two years earlier in 1999 With September 11 being my birthday I received a unique present on that day that changed my life It was then that I first realized that life wasnt the fairytale world that I thought it was As I saw my world crumble down I had no choice but to turn a negative into a positive Remembering the advice from a person whom I had never met telling me to believe in myself never give up and to never take the easy way out I knew that I could battle through anything and win in the long run Little did I know that present was the opening to my future and to my lifes goal that I was out to achieve     **Canadian Saturday Night** ,1950     *Silas Marner* George Eliot,1887
