Overcoming Procrastination for Beginners Alfred Heiss, 2015-12-23 Maybe you're a rising business executive who's getting ready for your summer vacation and you're looking for something interesting to read. Maybe you're just heading to Seattle for a sales conference and you need something to peruse on the plane. Or maybe you're starting an MBA in the fall and you're wondering what books to read before you start. Yes, you feel you ought to read one of the latest business books. This title is one of the series of management books published by OxfordCS Publications. Our series of management books cover everything from accounting principles to business strategy. Each one has been written to provide you with the practical skills you need to succeed as a management professional. All our books for business professionals are written exclusively by experts within their fields. Delve into subjects such as accounting, self-management, human resource management, and job searching. This updated and expanded second edition of the book provides a user-friendly introduction to the subject. Taking a clear structural framework, it guides the reader through the subject's core elements. A flowing writing style combines with the use of illustrations and diagrams throughout the text to ensure the reader understands even the most complex of concepts. This succinct and enlightening overview is a required reading for all those interested in the subject. We hope you find this book useful in shaping your future career.
