The Carpool Detectives Chuck Hogan, 2025-07-29 The incredible true story of a group of moms who united by a search for new purpose attempt to solve a fifteen year old double murder. An instant true crime classic Douglas Century author of *The Last Boss of Brighton* A lot of us like to think we could solve a mystery. Can these four moms actually do it? In 2020 Marissa, Jeannie, Samira, and Nicole find themselves at a familiar crossroads when motherhood takes charge of their lives. They begin grappling with their own identities. Their thriving careers seem like a lifetime ago and as their children become more independent they struggle to find purpose. But when they meet at a bowling night fundraiser for their kids school they discover a shared interest in true crime that crystalizes around a mysterious double homicide that took place in their hometown a decade earlier. A couple in their 60s vanished overnight from their home and mysteriously shuttered their family business leaving millions of dollars unaccounted for. Initially believed to have absconded with the money, they went from suspects to victims when their bodies were discovered in their car at the bottom of a steep ravine. And then the case turned cold. But what if the moms could solve it? What if they could bring a killer to justice and give closure to a grieving family? The four women have no connection to the case and no law enforcement background but the determined group find themselves in incredible and often dangerous situations digging for evidence in prohibited ravines, scouring potential crime scenes for blood splatter and sifting through pages and pages of dense police files. As they get more and more entangled in this complex investigation they also find themselves in real danger and with information that could blow the case wide open.
