Key Features Learn Roblox Studio tools and create your own immersive games with a rich array of recipes. Leverage advanced techniques for game development and implement complex game mechanics. Explore tools for staying up to date with the latest trends and monetizing your gaming experience. Purchase of the print or Kindle book includes a free PDF eBook. Book Description Roblox is a massively popular online gaming platform but it can be challenging to maneuver for beginners who don't know where to start as well as seasoned developers who tend to struggle with limited scripting tools that make transitioning from other platforms such as Unity more difficult. The Ultimate Roblox Game Building Cookbook is an invaluable asset for any Roblox developer looking to take their skills to the next level. With a wide range of recipes this Roblox book covers everything from the basics of game development on the platform to advanced techniques for creating immersive experiences. As you progress through the chapters you'll gain a deep understanding of the proper workflow and building methods that will enable you to create extraordinary virtual worlds. You'll gain insights into creating complex game mechanics such as multiplayer games working with textures and special effects in games. This cookbook will also provide you with tips from top Roblox developers as well as valuable guidance on how to monetize your games and stay up to date with the latest trends in the Roblox development community. By the end of this book you'll have gained a comprehensive understanding of Roblox game development and design. What you will learn: Master the basics of game building using Roblox Studio tools. Execute essential pre production steps such as layout and grayboxing to plan and build your map effectively. Strategically place props to create immersive environments. Incorporate lighting atmosphere and VFX such as particle beams, trails and smoke to add visual appeal and depth to your game. Prioritize optimization updates and user experience to ensure your game's success. Monetize your gaming experience and learn how to earn Robux through in game purchases and other methods. Who this book is for: This cookbook is for game developers, enthusiasts, educators, young players and their parents, making it an ideal resource for game developers of all age groups. While prior knowledge of Roblox, Roblox Studio and Roblox Lua will help you follow along more easily, this book is a helpful resource for anyone with a basic understanding of game engines.

[Peer Pedagogies on Digital Platforms](#) Michael Dezuanni, 2020-09-22 How a popular entertainment genre on YouTube Let's Play videos created by Minecraft players offers opportunities for children to learn from their peers. Every day millions of children around the world watch video gameplay on YouTube in the form of a popular entertainment genre known as Let's Play videos. These videos which present a player's gameplay and commentary offer children opportunities for interaction and learning not available in traditional television viewing or solo video gameplay. In this book Michael Dezuanni examines why Let's Play videos are so appealing to children looking in particular at videos of Minecraft gameplay. He finds

that a significant aspect of the popularity of these videos is the opportunity for knowledge and skill exchange. Focusing on Let's Play practices the videos themselves and fans responses Dezuanni argues that learning takes place through what he terms peer pedagogy a type of nonhierarchical learning that is grounded in the personal relationships fans and players feel toward one another. Moreover the Let's Play platform is part of a larger digital ecosystem that enables children to learn from one another in unique ways. Dezuanni explores how Let's Players enable learning opportunities examining digital literacies the Let's Play genre and peer pedagogies. He then presents case studies of three successful family friendly Let's Players of Minecraft Stampylonghead StacyPlays and KarinaOMG microcelebrities in a microindustry. Dezuanni analyzes the specific practices and characteristics of these players paying particular attention to how they create opportunities for peer pedagogies to emerge. **Game On! 2020: An AFK Book** Scholastic, 2019-11-05 Learn all about the hottest games coming in 2020 how they were developed and how to beat them in Scholastic's annual gaming guide.
