How do they do that? The aim of this book is to get a complete beginner up and running in the basic elements of parkour.

The Ultimate Beginner's Guide to Parkour Alexander Diaz, 2019-12-07

I'm talking about parkour. Yeah, that sport where you jump from buildings and vault over walls. Many men are drawn to parkour even if they're not entirely sure what it is. It's captivating to see someone move through an environment in ways we had previously not conceived of and inspiring to witness the human body pushing the very limits of its capabilities. Plus, it just looks like so much fun and it seems like an important skill to have during the zombie apocalypse when you'll need to be able to outrun a pack of vicious brain eaters depending on your theory of their bipedal capabilities of course.
