## **Non Verbal Learning Disabilities Non Verbal Learning Disabilities:**

**Understanding Nonverbal Learning Disability** Irene C. Mammarella, Ramona Cardillo, Jessica Broitman, 2021-06-21 This essential book offers an accessible evidence based guide to Nonverbal Learning Disability NVLD informed by the most current research and clinical and educational practice. It provides a thorough explanation of the science behind the condition alongside ideas support and practical tips for managing the everyday challenges of the disorder at school and in family life. Mammarella Cardillo and Broitman describe the main characteristics of the condition from both theoretical and practical points of view as well as examining the similarities and differences between NVLD and other neurodevelopmental disorders. They explore the cognitive and academic weaknesses and strengths of children with NVLD and the emotional and social difficulties they may experience. The book also provides a systematic review of scientific studies in this field whilst focusing on issues of diagnostic criteria as well as assessment and intervention strategies. Practical examples are given for teachers and parents to help support children with NVLD in improving their visuospatial and motor skills as well as peer social relations and in promoting the child's individual abilities. Understanding Nonverbal Learning Disability is essential reading for parents and practitioners in clinical and educational psychology and health and social care and students in these fields.

**Nonverbal Learning Disabilities** Cesare Cornoldi, Irene C. Mammarella, 2016 Subject Areas Keywords adolescents assessments children developmental disabilities diagnostic criteria differential diagnosis interventions learning difficulties learning disorders mathematics disabilities neuropsychological evaluations neuropsychology NLD nonverbal learning disabilities nonverbal learning disability nonverbal learning disorder NVLD visuospatial deficits DESCRIPTION Increasing numbers of children and adolescents are being diagnosed with nonverbal learning disabilities NLD yet clinicians and educators have few scientific resources to guide assessment and intervention. This book presents up to date knowledge on the nature of NLD and how to differentiate it from DSM 5 disorders such as autism spectrum disorder and specific learning disorders. Effective strategies for helping K 12 students and their families address the challenges of NLD in and outside of the classroom are illustrated with vivid case material. The authors thoughtfully consider controversies surrounding NLD, discuss why the diagnosis is not included in the current DSM and ICD classification systems and identify important directions for future research.

**Nonverbal Learning Disabilities at School** Pamela Tanguay, 2001-10-01 Topics such as finding the right school curriculum modifications and social and emotional issues experienced by children with NLD are covered. The bulk of the book outlines specific teaching strategies from how to deal with essay questions to tips on helping the student master long division and ideas for improving reading comprehension.
