Noncommercial Foodservice An Administrators Handbook:

Noncommercial Foodservice John Cornyn, Joyce Coons-Fasano, 1995 Serves as a complete introduction to foodservice administration for those new to the field and as an informative reference work for more experienced administrators. Presents pertinent instruction and advice on such common administrative concerns as foodservice quality assurance, selection of appropriate management facility construction and remodeling, legal and social obligations and financial accountability. Of interest to administrators of service departments as well as organizations foodservice liaisons, financial officers, human resource managers, facility commanders, business managers, government representatives, law enforcement officials and legal counsels.

The Non-commercial Food Service Manager's Handbook Douglas Robert Brown, Shri L. Henkel, 2007

Finally the non commercial food service director has a comprehensive manual to aid them in their day to day operations. This massive 624 page new book will show you step by step how to set up, operate and manage a financially successful food service operation. The author has left no stone unturned. The book has 19 chapters that cover the entire process from startup to ongoing management in an easy to understand way, pointing out methods to increase your chances of success and showing how to avoid many common mistakes. While providing detailed instruction and examples, the author leads you through basic cost control systems, menu planning, sample floor plans and diagrams, successful kitchen management, equipment layout and planning, food safety and HACCP dietary considerations. Special patient client needs learn how to set up computer systems to save time and money, learn how to hire and keep a qualified professional staff, manage and train employees, accounting and bookkeeping procedures, auditing, successful budgeting and profit planning, development as well as thousands of great tips and useful guidelines. The extensive resource guide details over 7 000 suppliers to the industry, this directory could be a separate book on its own. This covers everything for which many companies pay consultants thousands of dollars. The companion CD ROM is included with the print version of this book, however is not available for download with the electronic version.
