Announcement of Highway Safety Literature, 1976 *Bringing Ben Home* Barbara Bradley Hagerty, 2024-08-06 How
states are making their legal systems more equitable seen through the story of a Black man falsely imprisoned for thirty
years for murder In 1987 Ben Spencer a twenty two year old Black man from Dallas was convicted of murdering white
businessman Jeffrey Young a crime he didn't commit From the day of his arrest Spencer insisted that it was an awful mistake
The Texas legal system didn't see it that way It allowed shoddy police work paid witnesses and prosecutorial misconduct to
convict Spencer of murder and it ignored later efforts to correct this error The state's bureaucratic intransigence caused
Spencer to spend more than half his life in prison Eventually independent investigators new witness testimony the foreman of
the jury that convicted him and a new Dallas DA convinced a Texas judge that Spencer had nothing to do with the killing and
in 2021 he was released from prison As Spencer's fight to clear himself demonstrates our legal systems are broken
expediency is more important than the truth That is starting to change as states across the country implement new efforts to
reduce wrongful convictions and one of the states leading the way is Texas Award winning journalist Barbara Bradley
Hagerty has spent years digging into this issue and she has immersed herself in Spencer's case She has combed police files
and court records interviewed dozens of witnesses and had extensive conversations with Spencer and in *Bringing Ben Home*
she threads together two narratives how an innocent Black man got caught up in and couldn't escape a legal system that
refused to admit its mistakes and what Texas and other states are doing to address wrongful convictions to make the legal
process more equitable for everyone By turns fascinating and enraging personal and provocative *Bringing Ben Home* is the
powerful story of one innocent man who refused to admit that he was guilty of murder and how his plight became part of a
paradigm shift in how the legal system thinks about innocence as it institutes new methods to overturn wrongful convictions
