Not Afraid Heartbreak Raising Fighting:

Not Afraid Daniele Bolelli, 2015-12-01 This book is a meditation on facing fear heartbreak and mortality It is the story of a man who in rapid succession has his wife die in his arms loses his house and his job and is left to care for his 19 month old daughter Oddly enough the best tools for coping with all of this were those he learned in more than two decades of the martial arts practice Not Afraid tackles this extremely heavy subject matter in a light hearted style and with an attitude that acknowledges pain and suffering but denies them dominion over one's life In his own irreverent and inimitable style Daniele Bolelli tells the story of his courtship and marriage which would have been a sweet story had not all hell broken loose Or as he puts it Hell was a ninja who entered my house without being seen It all began in such an unremarkable way that it barely registered as anything meaningful Little did I know that the experiences of the next five months would rip me apart and kill me They would reforge me into a different man On that day I became an unwilling traveler on a journey through the heart of fear Every step along the way has forced me to face my fears time and time again In autobiographical fashion Not Afraid recounts how martial arts practice and personally relating to fear inducing experiences can affect and shape one's personality The result is a page turning book about beauty as well as tragedy hope as well as despair [The Wisdom of a Broken Heart](#)

The Vengeance of Mothers Jim Fergus, 2017-09-12 The stunning sequel to the award winning novel One Thousand White Women A Novel Clever and satisfying Fergus is a superb writer and the characters are as real as any pioneer women who braved the rigors of westering The Denver Post A gripping tale a history lesson infused with both sadness at the violence perpetuated against the Cheyenne and awe at the endurance of this remarkable group of women Booklist starred review 9 March 1876 My name is Meggie Kelly and I take up this pencil with my twin sister Susie We have nothing left less than nothing The village of our People has been destroyed all our possessions burned our friends butchered by the soldiers our baby daughters gone frozen to death on an ungodly trek across these rocky mountains Empty of human feeling half dead ourselves all that remains of us intact are hearts turned to stone We curse the U S government we curse the Army we curse the savagery of mankind white and Indian alike We curse God in his heaven Do not underestimate the power of a mother's vengeance So begins the Journal of Margaret Kelly a woman who participated in the U S government's Brides

for Indians program in 1873 a program whose conceit was that the way to peace between the United States and the Cheyenne Nation was for One Thousand White Woman to be given as brides in exchange for three hundred horses These brides were mostly fallen women women in prison prostitutes the occasional adventurer or those incarcerated in asylums No one expected this program to work And the brides themselves thought of it simply as a chance at freedom But many of them fell in love with their Cheyenne spouses and had children with them and became Cheyenne themselves The Vengeance of Mothers explores what happens to the bonds between wives and husbands children and mothers when society sees them as unspeakable What does it mean to be white to be Cheyenne and how far will these women go to avenge the ones they love With vivid detail and keen emotional depth Jim Fergus brings to light a time and place in American history and fills it with unforgettable characters who live and breathe with a passion we can relate to even today Cassell's Magazine ,1899
