Trouble Lex Croucher,2023-07-20 There s a new governess at Fairmont House and she s going to be nothing but trouble Emily Laurence is a liar She is not polite she s not polished and she has never taught a child in her life This position was meant to be her sister s brilliant kind Amy who isn t perpetually angry dangerously reckless and who does inexplicably like children But Amy is unwell and needs a doctor their father is gone and their mother is useless so here Emily is pretending to be something she s not If she can get away with her deception for long enough to earn a few months wages and slip some expensive trinkets into her pockets along the way perhaps they ll be all right That is as long as she doesn t get involved with the Edwards family s dramas Emily refuses to care about her charges Grace who talks too much and loves too hard and Aster who is frankly terrifying but might just be the wittiest sixteen year old Emily has ever met or the servants who insist on acting as if they re each other s family And she certainly hasn t noticed her employer the brooding taciturn Captain Edwards no matter how good he might look without a shirt on As Fairmont House draws her in Emily s lies start to come undone Can she fix her mistakes before it s too late Praise for Lex Croucher Bridgerton s wild little sister So much fun Sarra Manning Witty whip smart and full of characters I totally fell for I didn t want it to end Laura Kay Beyond entertaining high debauchery with a feminist swing Abigail Mann

The Children's Bible Charles Foster Kent Henry A. Sherman,2016-08-24 The Children s Bible provides in simple English a translation of selections from both the Old and the New Testament These selections have been made as a result of more than twenty five years of observation and study The text is that of the Bible itself but in the language of the child so that it may easily be read to the younger children and by those who are older It is not in words of one syllable for while the child is reading the Bible he should gradually learn the meaning of new words and idioms The Bible contains the foundations on which the religious life of the child must be built The immortal stories and songs of the Old and New Testaments are his richest inheritance from the past To give him this heritage in language and form that he can understand and enjoy is the duty and privilege of his parents and teachers It is hoped that The Children s Bible will meet the need and the demand which parents and educators alike have long felt and often expressed for a simple translation of selections from the Bible most suited to the needs and the interests of the child It is also believed that after the child has learned to appreciate and love these stories and songs he will be eager and able to read the Bible as a whole with genuine interest and understanding
