the Jewish home      *The Appointment* Katharina Volckmer,2021-09-07 In a well appointed examination in London a young woman unburdens herself to a certain Dr Seligman Though she can barely see above his head she holds forth about her life and desires her struggles with her sexuality and identity Born and raised in Germany she has been living in London for several years determined to break free from her family origins and her haunted homeland But the recent death of her grandfather and an unexpected inheritance make it clear that you cannot easily outrun your own shame whether it be physical familial historical national or all of the above Or can you With Dr Seligman s help our narrator will find out In a monologue that is both deliciously dark and subversively funny she takes us on a wide ranging journey from Hitler centered sexual fantasies and overbearing mothers to the medicinal properties of squirrel tails and the notion that anatomical changes can serve as historical reparation provided by publisher      **Aaron the Jew (Illustrated)** B. L. Farjeon,Damian C.

Andre,2014-05-24 Aaron the Jew is among other things an anti conversion novel but it s of a startling sort The plot hinges on a baby switch No that s not why it s startling To avoid financial disaster Aaron Cohen an Orthodox Jew agrees to raise a Christian child born out of wedlock The mother had been forced to give the baby up as part of a deal with a would be husband It s a sign of the Victorian times that the novel is not only sympathetic to the mother but eventually lets her prosper But Aaron s own child born at nearly the same time dies suddenly and fearing that the shock could kill his wife Aaron passes off the baby girl as their own Mrs Cohen is blind which enables the switch Flash forward many years The girl in question Ruth has been raised as a Jew but refuses to embrace the faith      **Jew Be Or Not Jew Be** Peter J. **Op. Non Cit** Alan Isler,1997 A collection of four novellas each with the theme of the Jew in the non Jewish world They move in time through the last four centuries and in space from east to west sharing a blend of comedy and tragedy      **The City Without Jews** Hugo Bettauer,2018-02-03 Content In the aftermath of World War One Austria faces a severe economic crisis Unemployment Fear of decline However some people argue that the problem sits deeper For them the country s soul is at stake Finally people are fed up and demand a solution And they get what they want They get their hero His name is Chancellor Dr Schwertfeger The Aryan messiah elected by the masses offers a simple but radical solution Out with the Jews A word and a blow and soon the whole country celebrates the day the last Jew left Austria The whole country No not everybody is happy Lives are shattered Friends families and lovers torn apart And to make matters worse the economy is not picking up The gap left by the Jewish exodus is greater than expected In this time of turmoil one man is prepared to make a stand Leo is one of the exiled and had to leave his loved one behind Now he is ready to fight for the love of his life and to die for his home country Will the lovers be reunited And what will become of Austria About the Author and the Book With this satirical book Hugo Bettauer was fighting the violent Anti Semite movements of the 1920s But little did he know He was right and wrong at the same time He was right the Anti Semites were aiming at a final solution to the so called Jewish question Yet we all know the course of history exiling the Jews was not enough for the NAZIs The converted Christian Hugo Bettauer did

not live to witness this human tragedy After a failed attempt at moving to the US the Austrian stayed in his home country where he worked as an author and as a correspondent for American newspapers He wrote one of the first stories about a serial killer wrote movie scripts and published a magazine campaigning for progressive ideas such as impunity for homosexuals and women s rights His articles caused so much sensation that he was taken to court his magazine was seized and Mr Bettauer received death threats On 20th March 1925 Hugo Bettauer was shot and killed by a member of the NAZI party The killer was released from a psychiatric clinic only 18 months after committing the crime What is there to learn from this story It is more than just a piece of history It was prophetic at the time of its release and its prophetic voice is still valid As it seems the demagogues the dictators the racists the fascists the haters of human rights the terrorists and Anti Semites are present here and now the world over
