**Teaching the Common Core Literature Standards in Grades 2-5** Lisa Morris, 2015-07-16 Shifting your literature instruction to meet the Common Core can be tricky. The standards are specific about how students should analyze characters' themes, point of view, and more. In this new book, Lisa Morris makes it easy by taking you through the standards and offering tons of practical strategies, tools, and mentor texts for grades 2-5. She shows you how to combine the standards into effective units of study so that you can teach with depth rather than worry about coverage. Topics covered include: Teaching questioning, inferring, and author's purpose; Guiding readers to look at themes and write summaries; Showing students how to recognize structural elements of literature; Teaching the craft of writing and vocabulary development; and Helping students analyze characters and character development.
