Wilson, 2014-11-04

The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. To bring the ancient messages of the Bible into today's world, each passage is treated in three sections: Original Meaning, Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context, Bridging Contexts. A bridge between the world of the Bible and the world of today, built by discerning what is timeless in the timely pages of the Bible. Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique award-winning commentary is the ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written.

The Prophecies of Isaiah ,1880 Magnalia Dei, the Mighty Acts of God George Ernest Wright, 1976 God's People on the Move vanThanh Nguyen SVD, John Prior, 2014-12-18

On the highways and byways of every continent, hundreds of millions of immigrants are constantly on the move. Because of growing inequalities of wealth caused by unregulated economic globalization, political and ethnic conflicts, environmental degradation, instant communication, and viable means of transportation, more and more people are migrating than ever before. Crossing international borders, whether compelled or voluntarily, is a major characteristic of our present epoch. No countries or regions are immune from this reality. Facing the growing scope, complexity, and impact of the current worldwide phenomenon, God's People on the Move seeks to develop appropriate biblical and missiological responses to the issue of human migration and dislocation. The book is divided into two major sections. Part one, Biblical Perspectives on Migration and Mission, contains six essays that focus on various biblical themes or texts that deal with migration and mission. Part two, Contemporary Issues of Migration and Mission, contains six essays that address different immigration issues around the world. The contributors to this volume are women and men from different ethnic backgrounds, working and living on five continents. The internationality of the contributors gives this volume a unique global perspective on migration and mission.
