Money Wellness: Is Money Making You Sick? Laura Fredricks, 2016-01-18 Money Wellness is defined by health not wealth. It is the sum of everything that goes with being financially, emotionally, and physically sound and is the balanced, holistic integration of financial, emotional, and physical health. To have Money Wellness means having adequate cash flow, sufficient assets, the absence of illness, and the presence of emotional wellbeing. What can Money Wellness do for YOU? Boost your self-worth to have and hold money. Empower you to make positive and powerful choices about money. Enhance your self-confidence in every aspect of your life. Increase your options and opportunities where YOU get to be in control of your thoughts and beliefs and ACTIONS with each money choice. Let Laura, the industry leader on How to Ask for Money and More, show you how to work out your money worries to achieve your best health possible.

Exercise And Fat Loss Liam Brown, 2025-03-14 Exercise and Fat Loss explores the science-backed relationship between physical activity and weight reduction, moving beyond simple calorie counting to examine metabolic adaptations and hormonal benefits. The book clarifies how exercise influences energy expenditure and fat metabolism, addressing common misconceptions about weight management. It emphasizes that appropriately implemented exercise combined with sound nutrition is a powerful tool for achieving and sustaining fat loss. Did you know that exercise timing, exercise selection, and individual variability all impact the effectiveness of exercise? The book progresses logically, first defining key terms like fat mass and metabolic rate, then delving into the specific effects of different exercise types such as aerobic exercise, resistance training, and HIIT on fat loss. Optimal training protocols, including frequency and intensity, are detailed, explaining how these components affect fat oxidation. Finally, the book integrates the evidence to offer practical recommendations for personalized exercise programs, addressing barriers to adherence and strategies for long-term physical activity.

Walking for Fitness Nina Barough, 2011-03 A total fitness programme from power walking expert Nina Barough. Keep fit, tone up, and lose weight walking is the perfect way to achieve optimum health hassle-free. Power walking expert Nina Barough reveals there is a world of difference between a casual stroll and an energising body-sculpting power walk. Founder of the annual Moonwalk, Nina explains how this low-impact form of exercise can be done by anyone anywhere at anytime, and her total walking programme will help you achieve health, vitality, and weight loss. This book was made for walking.

Trauma-Informed Practices for 9-12 Theatre Education Jimmy Chrismon, Adam W. Carter, 2025-06-11 This resource bridges the worlds of education, mental health, and the performing arts to offer a comprehensive roadmap for 9-12 theatre educators looking to promote safe, supportive, and creative spaces for their students. Written by a seasoned theatre educator and a licensed mental health clinician, this book explores trauma-informed teaching techniques tailored specifically for theatre classrooms, encompassing both acting and production processes. Chapters cover a broad range of topics from fostering resilience in students to collaborating with caregivers, administrators, and communities across the educational journey. The authors introduce essential concepts such as intimacy, direction, and

consent ensuring ethical and inclusive practices They also provide strategies for teachers to prioritize their own self care Core themes and objectives include trauma informed teaching holistic theatre production community engagement ethical theatre practices and educator wellness Packed with practical exercises for exploration discussion questions for book studies and meticulously researched insights this resource strikes a balance between therapeutic guidance and professional development Ideal for 9 12 theatre educators in drama classrooms after school programs and more this guide equips you with the tools to support students who may have experienced trauma empowering them in performing arts environments while maintaining healthy boundaries
