able to monetise Google Search Engine to create multiple income streams Matthew's notable mentors and business partners include Tony Robbins Naveen Jain Forbes Riley Tai Lopez and Ekim Kaya Being 1st on Google maps is crucially important To rank you'll need to learn Google Maps SEO When searching for a local business many consumers search through maps If you're not 1st on Google maps you're losing Money lots of money Every single day a potential long term customer is going to your competitor Unless the customer has a bad experience it's likely you won't have them as a customer the rest of their life Being 1st on Google maps isn't just costing you money on a day to day basis it's negatively impacting every day the rest of your life Impact You love your business your business helps people You're doing your customers a disservice when they search for a local business and go to a competitor This effects the amount of impact you can leave in the world Respect If you're not 1st on Google you'll lose respect in the eyes of many of your customers They won't see you as the market leader They'll try to negotiate discounts and haggle you for every penny It's not just your customers you'll lose respect in the eyes of many business owners They won't think you're serious about your business As a result you'll lose referrals and other opportunities Freedom The difference between freedom for many business owners is a 1st place Google ranking When you're first on Google you don't need to prospect for new customers By dominating your industry you can easily create time freedom It's not the best business owner that gets freedom it's the business owner that's first on Google I could list more reasons why your business needs to be 1st on Google maps but to be honest I don't want to disrespect your intelligence If you didn't know you need to be 1st on Google maps you wouldn't be reading this In this book I've laid out 8 easy to follow steps An idiot could do this SEO doesn't need to be difficult It's really easy once you know everything Anyone that tells you it's really difficult and you can't do it yourself is trying to sell you their services Someone with no computer experience could follow these 8 steps and rank first on Google maps What are you waiting for Read the book today and ROCKET your business to the top Using Google Maps and Google Earth, Enhanced Edition Michael Miller, 2011-10-07 This USING Google Maps and Google Earth book is enhanced with nearly 2 hours of FREE step by step VIDEO TUTORIALS and AUDIO SIDEBARS Google Maps is a free web mapping service app and technology provided by Google to view local traffic conditions display nearby businesses and plot driving directions between two points Google Earth is a stand alone related product offering more globe viewing features including showing more of the polar areas Google Maps and Google Earth are both used for fun business or travel USING Google Maps and Google Earth is a media rich learning experience designed to help new users master Google Maps and Google Earth quickly and get the most out of it fast EVERY chapter has multiple video and audio files integrated into the learning material which creates interactive content that works together to teach everything mainstream Google Maps and Google Earth users need to know You'll Learn How to Discover How to Map Your Favorite Places with Google Maps See Actual Locations with Street View Generate Driving Walking and Public Transit Directions Find and Learn More About Businesses Create and Share Custom Maps and Mashups Use Google Maps on iPhone Navigate Google Earth to Find
