The Subscription Boom Adam Levinter, 2019-10-08 In this clear and informed guide to the business model that's set to dominate twenty-first century commerce Adam Levinter makes a compelling case that the phenomenal success of companies like Amazon Netflix Spotify and Salesforce wouldn't be possible without the foundation they all have in common subscription A surge of subscription boxes in 2012 earned buzz for offering everything from razors to meal kits to underwear since then the model has proven to be adaptable profitable and resilient even as many traditional retailers struggle to stay relevant in the digital economy Levinter takes a close look at the leaders of the subscription economy to pinpoint the essential elements of the model and prove that while the basic concept may be as old as magazines the ubiquity of the internet is enabling a new way for businesses to scale and succeed *The Subscription Boom* shows that the appeal to both customers and businesses makes subscription a smart play for virtually any business

Innovation's Missing Link Al Judge, 2007 Praise for *Innovation's Missing Link* It's a pleasure for me to recommend this book to you It delivers on its promise Its message is clear Its point of view is always poignant The future of innovation will be greatly improved if leaders across the country read and adopt the mind set of this great book Tom Kuczmarski Senior Partner innovation consultancy Kuczmarski Author of *Managing New Products and Innovation* Adjunct Professor Kellogg School of Management Cofounder of the Chicago Innovation Awards an insightful and actionable guidebook on how to effect innovative change in the minds of the leaders and associates within an organization I especially enjoyed the emphasis on the people dimension which is lacking in other similar texts an easy read David Orwick Director Product Strategy H R Block Tax Business Services Overview *Innovation's Missing Link* is not just another book about innovation or about some secret to successful innovation It is a comprehensive and holistic discussion about the universal process of innovation as well as many insights into human nature and management skills It goes where no book on innovation has gone before Its style is narrative and numerous true stories are used to add entertainment value drive home key points and add to the experience of the reader Rather than using endless statistics to create credibility the author draws on 37 years of practical experience and common sense Most people can recognize the ring of truth and don't require a lot of supporting data if the premise is reasonably stated Above all else this book respects the time constraints that most of us find ourselves battling every day This is a reader friendly book in that it places the burden of communication on the writer The reader is told the essence and value of the ideas presented before the themes are developed and then the key points are briefly summarized at the end of each chapter There is never a need to skim ahead searching for important information or the essence of a concept all the fluff has been eliminated and the reader is never left wondering where she is being led A brief introduction discusses the author's credentials as well as the purpose premise and goal of the book The expected value of the information is individually summarized for Senior Executives New Products Managers Marketing Managers and Students The universality of the innovation process is briefly discussed Part 1 of the book focuses on the

innovation process Part 2 summarizes the author's experience with topics related to innovation such as patents focus groups and underserved markets Part 3 summarizes the material presented in Parts 1 and 2 A three chapter Addendum addresses the rising trends of spirit in the workplace and socially conscious capitalism This section also introduces The Slinky Principle New and provocative ideas are blended with time tested processes throughout the book The primary objective is to identify what works and processes that improve efficiency and results Respect for human nature is a constant theme Diversity and individuality are seen as essential to success Some Highlights and Features 40 Thoughts on Innovation A quick guide to important themes developed in the book with page numbers referenced Actions Ideas Suggested exercises for readers intended to maximize results Chapter Overview Each chapter starts with a brief statement of the intent and theme to be developed Chapter Conclusion Each chapter ends with a brief summary and review of important issues True Life Stories Used throughout the book to illustrate importa

Top Down Innovation Mary J. Cronin, 2014-01-02 This Brief focuses on strategies for innovation Top Down Innovation discusses the barriers to successful organizational and product innovation distills the leading theories about how to foster innovation and presents six case studies of well known brands that have succeeded and in one case failed in meeting innovation challenges Synthesizing the lessons learned from companies that have mastered innovation over time it provides a new perspective on the role of market leading companies and top management in driving innovation Since the publication of Clayton Christensen's pioneering Innovator's Dilemma in 1997 the rules of innovation have themselves been transformed Today innovation frequently starts at the CEO level with a vision that percolates throughout the organization In contrast to traditional theories of technology disruption new market entrants and business model innovation this study concludes that vision and leadership at the top is a decisive factor in successful innovation initiatives
