None But Jesus Pocket Puritans:

None But Jesus John Flavel, Nathan T. Parker, 2014 **Meet the Puritans** Joel R. Beeke, Fraser E. Jones, Randall J. Pederson, 2025-10-21 Whether you're meeting them for the first time or returning with questions this is the indispensable guide to the lives and works of the Puritans. If your impression of the Puritans comes from grim portraits, high collars, and joyless sermons, *Meet the Puritans* will surprise you in the best way. Behind those caricatures lies a warm, Christ-centered spiritual tradition shaped by people who loved Scripture, treasured grace, and sought to glorify God in every part of life. The Puritans took life seriously because they took God seriously. Grace and guilt, love and sacrifice, heaven and hell weren't abstractions to them; they were urgent realities. Today, when conviction of sin is dismissed as gloom, when earnest faith is pitied, and when diligent obedience is labeled as legalism, we desperately need their witness. If you hunger for depth, for holiness, for real communion with God, open these pages. Let these lives challenge you, and these writings nourish you. Take the time to meet the Puritans; you'll find in them deep truths, godly examples, and an exalted Christ. This New Edition includes 45 new biographies for a total of 190 English and American Puritans, seventeenth-century Scottish Presbyterians, and Dutch Further Reformation divines. 278 new summaries of Puritan works with annotated bibliographies of modern reprints. Comprehensive revision of the entire previous edition. 200 new titles added to the select bibliography of secondary sources. New expanded glossary plus an updated expanded list of Puritan publishers. The definitive reference for engaging the Puritan tradition, praised by pastors, scholars, and serious readers alike. Substantial enough for study, accessible enough for devotional use. *Meet the Puritans* is that rare kind of reference book that invites you to actually read it. If you're serious about reading the Puritans or simply looking for a clear starting point, this is the place to begin. None But Jesus John Flavel, 2014. C. H. Spurgeon said of Richard Sibbes, "He scatters pearls and diamonds with both hands," and the same could be said of another well-known Puritan, John Flavel. This little book is full of thought-provoking quotations drawn from Flavel's writings. Most focus on Jesus Christ, but they also include topics such as providence, conversion, suffering, heaven, and glory. The History of the Puritans, Or Protestant Non-conformists Daniel Neal, 1843 Contra and Pro. The Anti-Puritan Teachings of the Rev. C. H. Spurgeon on the subject of sanctification exhibited, by Pro-Puritan, 1857 The Broadview Anthology of Seventeenth-Century Verse and Prose Alan Rudrum, Joseph Black, Holly Faith Nelson, 2000-08-11 The publication of *The Broadview Anthology of Seventeenth-Century Verse and Prose* is a literary event; this comprehensive volume is the first anthology of the period to reflect the breadth of seventeenth-century studies in recent decades. Over one hundred writers are included, from John Chamberlain at the beginning of the century to Elisabeth Singer Rowe at its end. There are generous selections from the work of all major writers, and a representation of the work of virtually every writer of significance. The work of women writers figures prominently, with extensive selections not only from canonical writers such as Behn and Bradstreet, but also from other writers such as Katherine Philips and Margaret Cavendish, who have been receiving

considerable scholarly attention in recent years The anthology is broadly inclusive with writing from America as well as from the British Isles Memoirs letters political texts travel writing prophetic literature street ballads and pamphlet literature are all here as is a full representation of the literary poetry and prose of the period including the poetry of Jonson the prose of Bacon the metaphysical poetry of Donne Herbert Marvell and others the lyric verse of Herrick and substantial selections from the poetry and prose of Milton and Dryden While Samson Agonistes is included in its entirety Milton's epic poems have been excluded in order to allow space for other works not so readily accessible elsewhere The editors have included complete works wherever possible A headnote by the editors introduces each author and each selection has been newly annotated
