Not Forgotten Kenneth Bae:

Not Forgotten Kenneth Bae, Mark Tabb, 2016-05-03 For the first time since his two year imprisonment in North Korea Kenneth Bae recounts his dramatic ordeal in vivid detail While leading a tour group into the most shrouded country on the planet Bae is stopped by officials who immediately confiscate his belongings With his computer hard drive in hand the officers begin their interrogation and Bae begins his unexpected descent into North Korean obscurity Bae's family and friends make immediate appeals to the United States government asking for his release With his family waiting patiently for any news of Kenneth's well being Bae is forced to rely solely on his faith for his survival At his lowest point Bae is confronted with the reality that he may not make it out alive Not Forgotten is a riveting true story of one man's fight for survival against impossible odds

Lost and Found: Money vs. Riches

Roger Lam, 2018-06-05 Roger Lam was faced with a real money problem at a very young age when his birthright the family business was snatched away from him and he developed a secret distrust of parental provision since the age of 14 Money became his biggest hang up and slave driver and the childhood financial trauma triggered a quest for worldly success academically and then in the field of finance fueled by fear and anger for the better part of two decades until he got a divine wake up call In Lost and Found Money vs Riches Roger Lam shares his counterintuitive God orchestrated journey of setting free from the slavery to money by following the countercultural Biblical teachings on wealth and possessions Along the way he had to repeatedly confront and overcome his underdog mindset which was a byproduct of his sense of insecurity Some of the stories are nothing short of supernatural Without a doubt Roger Lam has suffered monetary losses in his lifetime but what he found instead over the course of his journey is of infinite and eternal value By telling his story with great transparency and vulnerability the life lessons that can be extracted from each chapter are potentially transformative and redemptive to our world which has been blinded to awareness of the real truth of provision
