**The Omega Conspiracy** Isaac David Ellis Thomas, 2007-12 Do we ever learn from history What were the conditions on Earth that resulted in its destruction except for Noah and his family What are the conditions on Earth Today Will history repeat itself in our lifetime Dr I D E Thomas reveals similarities between the past and present and arrives at a startling conclusion the recent burgeoning of demonic activity is our proof of our proximity to the last days and to the mightiest power encounter of all history The sons of God are on a collision course with the Saints of God and we may well be witnessing the opening scenario in the final battle the unfolding of The Omega Conspiracy *The Omega Conspiracy* I. D. E. Thomas, 2007-12 Do we ever learn from history What were the conditions on the Earth that resulted in its destruction except for Noah and his family What are the conditions on the Earth today Will history repeat itself in our time I D E Thomas reveals startling similarities between the past and today between ancient peoples and modern peoples signs that point to a return of mysterious beings known in the Bible as Nephilim The Omega Conspiracy could well be their final battle **There Were**

**Giants on the Earth in Those Days... and Also After That** Roberta Sams, 2015-01-26 What I appreciate about *There Were Giants on the Earth in Those Days and Also After That* is that it is not only intelligible but is enjoyable to read It doesn't require the reader to know a lot about eschatology but provides them a learning experience as the author has done extensive research and study to uncover the mysteries of the Bible which has all the answers It tells what is going to happen in the future The book deals with how Lucifer was cast out of heaven when he rebelled against God and how sin first entered into the world in the garden of Eden It shows how Satan has battled against God and His plan to provide salvation through faith in Jesus Christ Subjects like giants in the land the flood false religions Islam secret societies UFOs and others are discussed The Federal Reserve and HAARP by which they are trying to control the weather the Rapture the new world order the mark of the beast and the Antichrist are all dealt with according to the Word of God I recommend the entire book be read in order to experience the benefits of the authors laborious efforts to cover the past the present and the future of our world Rev David Lathrem associate pastor Lee Boulevard Baptist Church [Right at the Door](#) Larry L. Ungar, 2009-11 WAR FAMINE NATURAL DISASTERS LAWLESSNESS ECONOMIC COLLAPSE At no time in history has it become more apparent we are in the final days before Jesus Christ's return Weary from fear of terrorism violence and an unknown future we battle against despair But we have a loving Heavenly Father who does not leave us in the dark and alone Through the revelations of God's Word the author reveals God's plan for these final days and a timeframe for Jesus long awaited return In a world besieged by hopelessness this is a great hope Jesus is near He is right at the door Larry L Ungar is retired from the United States Air Force after serving his country for 30 years He is a gifted teacher and enjoys sharing the Word of God with others After accepting Jesus Christ as his Savior in his late forties Larry began a great adventure with the Lord resulting in this book He is a father of two adult sons and a grandfather of two He resides in Jacksonville Florida with his family **Those Terrible**

**First Hours** Robert Carr,2017-05-19 Everyone knows the characters of the cartoons Scooby Doo Where Are You and Johnny Quest In both of these cartoons the characters did that which was right without expecting anything in return a far cry from what we have today Even though we have many working for the common people of the nation we have far too many who work for themselves Even though I have the hope in Christ Jesus I think that the media has done a good job showing that Donald Trump has an ego the size of Texas But I feel that they do not know what to do with Hillary Rodham Clinton and therefore do not know how to criticize her Furthermore I don t think that it matters who gets in because I think they will be like the second Herbert Hoover

**Revelation 911** Paul Begley,2024-03-26 A riveting account of current events as foretold in the mysterious Book of Revelation A series of unparalleled apocalyptic events predicted in a third of the Bible is approaching They will so shake the world that people s hearts fail them for fear and the expectation of those things which are coming on the earth Luke 21 26 In Revelation 911 Pastor Paul Begley host of the syndicated television show The Coming Apocalypse and a popular YouTube show with more than 240 million views and Pulitzer Prize nominated investigative journalist Troy Anderson show that signs of the approaching Apocalypse are accelerating exponentially A catastrophic economic collapse and global conflagration could be next on the prophetic timeline Then comes the Antichrist False Prophet and mark of the beast economic system The authors also explore why the popular transhumanist movement artificial intelligence and top secret government and military programs are linked with prophecies of the last days Despite its stunning disclosures Revelation 911 offers hope comfort and blessings to help readers navigate this tumultuous time through the power protection and provision of the Holy Spirit

*Rungs of Disclosure* L. A. Marzulli,2024-10-15 Is this the coming Great Deception By the end of this book you will reveal the truth about extraterrestrial presences on earth that they are real burgeoning and not going away You also will understand what the Biblical perspective on this phenomenon is and is not They ve been here for thousands of years making their presence known in the shadows They might be seen by a lonely motorist on a deserted road late at night or by a frightened and confused husband in the bedroom he is sharing with his wife Perhaps the most disconcerting part of this phenomenon boils down to this question Has the government been aware of their presence all along and is covertly working with them toward some secret end In Rungs of Disclosure what once was fringe is now reality While reading you ll meet regular people just like you who have encountered something beyond their ability to explain You ll also hear from people of great faith and deep religious belief who continue to have these strange and deeply unsettling encounters L A Marzulli explores these ongoing incidents to discover the answers to these questions Who are they What do they want And why are they here Can you handle the truth Read this book if you dare
